HOW FERTILIZER BOOSTS

your PROFITS from CATTLE!

YOU CAN MAKE UP TO \$320.00 PER ACRE MORE

Test work on the Prairie has shown that increased yields from pasture and hayland can easily be realized from the use of commercial fertilizers. In the table below are listed increased returns figures from the use of fertilizer on increased returns of \$220.00 per acre - \$3.00 per acre can be realized.

Table with 2 columns: Fertilizer per acre, Increased yield per acre. Rows show various fertilizer types and their corresponding yield increases.

It pays to use Elephant Brand FERTILIZERS

Manufactured by THE CANADIAN FERTILIZER COMPANY OF CANADA LIMITED

SOLE AGENTS: BASHAW ALBERTA

Presentations made at Alix

Mr. Walter Kavan, of the Central Alberta branch of the Alix, presents a plaque of appreciation to Mrs. Margaret Kavan, of the Alix, for her services to the Alix.

CHURCH OF THAMES

We wish to express our sincere thanks to the Rev. J. H. Kavan, of the Central Alberta branch of the Alix, for his services to the Alix.

As the Year's go along

No person was ever baked — no cake ever brought out of a person without first being carefully prepared. Our cakes for all our special and social occasions are baked and prepared by our experienced bakers in the baking trade — cakes of which we are proud and we know you like.

No loaf becomes our shelves unless it is of superior quality, light and color. And consider our prices — reasonable, makes it so popular.

HOW FERTILIZER BOOSTS YOUR PROFIT ON OATS

YOU CAN MAKE UP TO 50.00 PER ACRE MORE...

Actual field tests show how your net profit per acre of summerization oats is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased production and the cost of fertilizer in consideration. An increased profit of over \$6.00 per acre is certainly worthwhile.

Fertilizer per acre	50 lb. 11-46-0 (Cost \$2.75)
Increased yield per acre	10 bu. (worth \$8.00)
YOUR INCREASED PROFIT PER ACRE	\$5.25
OR \$63.00 ON 100 ACRES OF OATS	

* Fertilizer and harvest per acre are approximate.

When properly fertilized, oats grown on stubble land will show an equally profitable return per acre. For greater net profit per acre from any crop on any soil, contact your Elephant Brand dealer listed below for the right information.

MANFRED

Mr. and Mrs. J. K. Manfred were visiting at the home of Mr. and Mrs. J. T. Schuchert on Tuesday.

The regular meeting of the St. Michael's church club was held Sunday, April 9th at the home of Mr. and Mrs. Louis G. Schuchert with a good attendance.

After the luncheon was consumed, the ladies spent the afternoon in the garden. During this time the hostesses served a delicious lunch.

Mr. and Mrs. J. T. Schuchert and Mr. and Mrs. J. K. Manfred were the guests of Mr. and Mrs. J. T. Schuchert on Tuesday.

VILLAGE OF ALIX

Notice of Public Hearing

TAKE NOTICE that the Council of the Village of Alix purposes to pass a By-law in accordance with the provisions of Section 61 of the Town and Rural Planning Act, 1945.

The proposed By-law is submitted for the purpose of amending the Zoning By-law of the Village of Alix insofar as it affects Lots 1 to 11 inclusive in Block 15 and Lots 12 to 15 inclusive in Block 7, referred to as Nos. 100 and 101 and 102 and 103, situated in Block 15 and Block 7, as shown on the plan of subdivision map in table A as surveyed by O.S. 100, 101, 102, 103, between the date of June 30 and July 1, 1947.

A copy of the original by-law and of the map referred to therein are deposited at the office of the Secretary-Treasurer and may be inspected there between the hours of 10 a.m. and 5 p.m. Monday through Friday.

At 4 o'clock p.m., on the 10th day of April, 1950 the Council will hold a public hearing at the Village Hall in which objection to the proposed by-law may be made and discussed.

Dated this thirtieth day of April 1950.

KATH E. HORNETT, Secretary-Treasurer

Lamerton

Mr. and Mrs. J. K. Lamerton were visiting at the home of Mr. and Mrs. J. T. Schuchert on Tuesday.

The regular meeting of the St. Michael's church club was held Sunday, April 9th at the home of Mr. and Mrs. Louis G. Schuchert with a good attendance.

After the luncheon was consumed, the ladies spent the afternoon in the garden. During this time the hostesses served a delicious lunch.

Mr. and Mrs. J. T. Schuchert and Mr. and Mrs. J. K. Lamerton were the guests of Mr. and Mrs. J. T. Schuchert on Tuesday.

Week end VAGABOND
Every week end now there comes to be a vagabond in the village which we call well do witness. The late was the breaking of tractor loads and spades which will be some more in the future.

These appear to have been dumped on Saturday evening, early or late or by whom we do not know.

Direct destruction of property is a serious offence and in one way or another these vagabonds will be brought to justice.

A good watch by parents and mercurial individuals who are not afraid to stand up to the sort of danger would do much to curtail it.

If we remain uninterested it will continue.

THE SUFFRAGE
The meeting held here last Thursday at which Hon. Gordon Taylor presided was one of the most successful since the first meeting.

It was a very successful meeting and the speaker, Mr. Taylor, was very well received.

BOIT BUILDING COULD BE IN INDUSTRIES

With keen interest being shown in this district and other areas of the province of Central Alberta the construction and building of houses and other structures could be a profitable industry.

Someone in our district who is a capable craftsman could either construct houses or other structures for sale or for rent.

It is a good idea to have a good watch by parents and mercurial individuals who are not afraid to stand up to the sort of danger would do much to curtail it.

If we remain uninterested it will continue.

HENRY D. RUTZ

Missionary tells of life in Punjab

Dr. Kenneth Coleman, senior field missionary for the Anglican Church in Canada, recently returned from a mission trip to the Punjab, India. He told of the life of the Christians in the Punjab, who have suffered many years of oppression and other conditions which have made it necessary to keep them in a state of fear. He said that the Christians in the Punjab are a persecuted minority, and that they are often subjected to violence and other forms of oppression. He said that the Christians in the Punjab are a persecuted minority, and that they are often subjected to violence and other forms of oppression.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. George B. Baskin, Professor of Animal Husbandry, University of Alberta

Coarse Roughage Is Bulky for a Cow

The old-time saying that a cow is a machine that eats and produces milk is a simplification of the complex process of feeding and managing livestock. In the winter months, when roughage is the primary feed, it is important to understand the nutritional needs of the animals. Coarse roughage, such as hay, is bulky and provides little nutritional value compared to more refined feeds. It is essential to provide a balanced diet that includes both roughage and concentrate feeds to ensure the health and productivity of the livestock.

WOTW NEWS
The wheat sown in the Great Canadian Wheat Experiment at the University of Alberta, which was planted in the fall of 1968, is now ready for harvest. The yield is expected to be high, and the quality is excellent. This is a significant achievement for the university and the Canadian wheat industry.

PRESBYTERY APPROVES
The presbytery of the United Church of Canada, which meets annually to discuss matters of faith and practice, has approved a resolution regarding the role of women in the church. The resolution states that women should be allowed to serve as ministers of the word, and that they should be eligible for ordination.

FOR SALE—land
A large tract of land, suitable for agriculture or development, is available for sale. The land is located in a prime area and has a good access to roads and utilities. Interested parties should contact the seller for more information.

FOR SALE—MIRROR
A large, ornate mirror, suitable for a living room or hallway, is available for sale. The mirror has a beautiful frame and is in excellent condition. It is a great addition to any home.

Locals

Mr. and Mrs. Albert Carlson and their family, who have been living in the area for many years, are moving to a new home. They are leaving behind a life of hard work and dedication to their community.

Mushrooms

Did you know that the mushrooms in the market are often grown in unsanitary conditions? This is a concern for many consumers, as mushrooms are a popular food item. It is important to choose mushrooms from reputable sources to ensure their safety and quality.

Meeting Creek

Varley Creek, which flows through the heart of the community, is a vital water source. It is important to protect the water quality in the creek to ensure the health of the community. This can be done by implementing proper waste management practices and protecting the riparian areas.

Ship Your Hogs

Ship your hogs directly to the plant by truck. This is a convenient and efficient way to transport your livestock. The plant has a dedicated facility for handling hogs, and the trucks are equipped with the necessary equipment to ensure the safe transport of the animals.

STETTLER AUCTION MART LTD

STETTLER AUCTION MART LTD is a leading auctioneer in the area. They handle a wide variety of goods, including livestock, real estate, and personal property. They are known for their expertise and fair dealing, and they provide a professional service to their clients.

Wednesday, May 6th, 1969

A Paper with Mission Not a Muzzle

\$7.00 a Year in Canada - \$3.00 a Year in United States

4-H's Get Ready for Spring Show, Sale

The regular meeting of the Buffalo 4-H club was held May 1 at the home of Mr. and Mrs. Tom Korth with 11 members present.

Betty Rider, the president, opened the meeting with the 4-H pledge.

Plans were made for the Achievement day to be held June 3 at the Bingham Carling Hotel.

The committee chosen to fix the date for the achievement day are as follows: Alan Ruta, Alan and Ronald Green, Alan Hoy, Tim Uta, David Hoy.

Plans to go to Camrose to tend the calves prior to the sale, there June 4 are Tim Uta, Alan Hoy, Alan Ruta.

Each member to receive 1.35 for calves.

Betty Rider was elected to assist with Ed. Schindler to take the calves to Camrose.

Plans were also made for the 4-H club banquet to be held on June 10. Invitations will be sent to Mr. H. Williams, D.A., of Camrose and Mr. L. C. Uta.

DISMISSED SECTOR PLAN

The regular meeting of the club was held on Tuesday, April 21 with 10 members present. Six visitors from Flora and Tim Lake were also present.

Plans to have as many members as possible attend the 4-H Club at Wexatonia on May 10 was made.

The meeting was followed by an open discussion on the sector plan which the visitors were keenly interested in.

Tim Mundy then presented films from Mexico and Viet Nam which everyone enjoyed.

BASHAW Phone 29

Mother's Day, Sunday, May 10th Bashaw Mill Rate set at 54

At the regular meeting of the council on Monday evening, discussion centered on the site for the seed clearing plant (similar to a mill) to be in the village limits and a representative from the Co-op council met with the council to determine tax structure, water and fire services available.

This information was taken by the information lack in the Co-op meeting the same night.

The village council also discussed the formation of a tax base for the licensing of mobile homes; such as now being given to the act which gives certain responsibility to the village in this regard as of April 1st.

Resolutions were presented to 1. A plan for alterations to the mill rate of \$7.00 per acre, 2. A plan for alterations to the mill rate of \$7.00 per acre, 3. A plan for alterations to the mill rate of \$7.00 per acre.

Cemetery one of the Best

The Bashaw cemetery committee which is headed by the W.A. are a busy committee and the work they accomplish is only to be known by their annual reports and reading between lines, for all the things they accomplish in day to day work with much effort.

It should be pointed out, too, as was done at the council meeting at which the report was presented, that Bashaw has one of the better cemeteries in Alberta, of the committee and the help it employs.

The committee met twice during the year and inspected the cemetery officials although many visits have been made by individuals of the committee and the mayor.

MOTHERS DAY
Gentle hands that never weary tending in love's vineyard sweet.
Eyes that seek further riches when our eyes they chance to meet.
Tender, patient, brave, devoted, this is always mother's part.
Could not words in gold be quoted as you think of her today?

Ellice News

Missionary service was held
Sunday evening in the Prince
11 church. The F.M.V. meeting
was in charge with the V.P. aid-
ing part in the service. Rev.
Geo. Harrison gave an interest-
ing sermon.

Mr. Keith Walsford of Ed-
monton, Mrs. D. Lloyd and Day-
id, Mr. and Mrs. H. Miller, Mr.
and Mrs. Iverson, Mr. and
Mrs. Johnson and twins were en-
tertained Sunday at the F.M.
reunion.

Misses Heather Lloyd and
Darlene Kuchel visited at the
Perry Rasmussen on Sunday.
Mrs. Geo. Sharp and Mr.
Edmonton visitors over the
week end.

Mrs. Virginia Allen, who left
the east few months back, has
visited at Vauxhall, 111, and re-
turned home on Friday.

Mr. and Mrs. M. Rishel met
at Vauxhall, 111, and re-
turned home on Friday.

Mrs. M. Kinsman returned
in Edmonton a few days follow-
ing last week's graduation cer-
emonies.

apartment building at 10th and
10th St.

LAMERTON

Special interest was noted in
the district last week when the
results of the graduation cer-
emonies at the University of
Alberta were made known. Two
young men from the Lamerton
district received their degrees—
Franklin and John. They had
been enrolled in agriculture and
science and were awarded hon-
oural distinction.

Mr. and Mrs. Hubert Sharp
were in Edmonton for their
wedding anniversary on Wednes-
day. Mrs. Sharp is a native of
Lamerton.

Mr. and Mrs. Nick Nason of
Lamerton attended graduation
ceremonies in Edmonton
when their son John received his
degree. They later motored down
to spend a few hours with the
latter's parents, Mr. and Mrs.
John Nason.

Mr. and Mrs. Gordon Jarvis
and daughter of Edmonton were
also visitors at the Jarvis home
last week.

Mr. and Mrs. Stan Lindsay of
Edmonton spent a day with the
former's father, Lloyd Lindsay
and family last week.

Mrs. Wallace Demers and
Mr. Fred Spent Sunday here
when their son John received his
degree. They later motored down
the north of the old Hartington
farm from Preston Sherry.

Another local deal involves the
sale of the outdoor owned by
Mr. Carlson. The land, which
includes a few acres, is being
sold to Mr. Carlson.

NOTE THEATRE
CHANGE THIS WEEK

Patrons of the local theatre are
advised to note change in the Day
theatre program this week when
Thursday and Friday
will be "His Boy! His Girl!"
starring Louis Lomax and Betty
South. This is a new movie and
release and only came out in
April.

Playing Saturday, May 30
and June 1st is the classic
Masterpiece "Ladies in the
Forest". Note this will be for three
days so plan now to go with the
family.

Both shows are good titles and
should be well patronized.

Marshall Wells

Formula 5

It bonds so tightly on new wood that water
can't get through to cause blistering!
The only house paint sold with a "double-
your-money-back" guarantee!

• 100% Blister-Proof on new wood!
• More Blister-Resistant on painted
wood!
• Stain-Proof...no more rust streaks!
• Fume-Proof...no more discoloration!
• Soil-Proofing...requires no undercoat!

Use "Blister-Proof" Formula 5 on your new
home or need repairs.

DATES SET FOR

3-4-5-6-7-8-9-10-11-12-13-14-15-16-17-18-19-20-21-22-23-24-25-26-27-28-29-30-31

The Vets and TB men of the city have set dates for their annual picnic and social. The picnic will be held on June 19 from 9 a.m. to 5 p.m. at the school building on the corner of 11th and Third streets. The social will be held on June 20 from 7 p.m. to 11 p.m. at the U.P.A. hall and 7 to 9 p.m. at the school.

A total of 185 have been recruited and all of these have been assigned to their respective units. There are general chairman of the event.

The regular monthly meeting of the Ladies' Auxiliary to the Canadian Legion was held last Thursday.

After the business, Mrs. W. W. W. gave a report on the recent convention held at Banff which was thoroughly enjoyed by all present. Following the meeting the "Bread of the month" dance was held. The ladies winner was Mrs. W. W. W.

Tickets are now on sale for next month's dance.

Vern Leonard and Thelma went down to Drummond Lake to see the new water taking in sections of the Great Falls of Alberta. A.C. and J.M. (Lester) was installed.

JULY

Missing
Issue(s)

[Faint, illegible text]

[Faint, illegible text]

AUGUST

Year in United States

R Lamerton, Mirror, Ripley
Dutch Flats, Water Glen,
and all districts tributary
to these.

A solo, speeches of welcome and reply comprised the program. A matter of interest was the fact that all three ministers involved in the induction were class mates and graduated the same year.

A good representation from Alar, Glue, Haynes and Tress met Friday, July 21 in the Alaska State Capitol for the collection of Rev. M. Takada in the annual church drive. Alar, Rev. O. Over of Klamby, directed his efforts to the collection of his bin of his arduous duties and obligations and yet of the great opportunities and privileges which he has been able to have to be true to Jesus' injunction to "feed my sheep," it is necessary for a minister to have a well disciplined staff and prayer, he stated. Rev. S. Munro, formerly a student minister at the University of Chicago, La. gave the charge to the congregation exhorting them to remember that they were an integral part of the church and that their tasks were as many, as varied and as important as those of the minister. Following the service, a luncheon was held and Mrs. Takada was held.

BASHAW

The Bashaw Star

An independently weekly newspaper published each Wednesday at 100 Main Street, Edmonton, Alberta. Published by W. E. NEWSON, Editor.

Ye Editor's Page

NO MATTER WHAT YOU DO

This week the town was fortunate enough to have 130 extra minutes added to its calendar by the arrival of a N.E. wind train from the north. The extra minutes were added to the clock face and were in effect from 10:00 a.m. to 11:00 a.m. on Wednesday.

Among the groups (as this year's group) is an immense number of various European countries. Among them, we learn, are many talented men, musicians, scholars, and tradesmen but who because of regulations for a time must accept the role of laborer or farm worker until they are admitted to our society by way of license.

We have every reason for the hope that the immigrants will be of great value to our country. We have every reason to believe that they will be of great value to our country. We have every reason to believe that they will be of great value to our country.

Some people you can tell by their faces. The work they do reveals itself. These men are not so much as they seem. They are a cross section of humanity who through circumstance have to take what they can get to make a living while such time as they can assimilate.

DRUGS AND GARDENS
This summer there has been the usual number of drugs around the town. How many are harmful we do not know. Some instances where they have taken to the streets and others where they have been used in the garden.

TOO MANY RIKES
The increase in taking riding on the sidewalks of the town has become almost a nuisance. It is a nuisance. It is a nuisance. It is a nuisance.

UNRULY BOY
A young boy has been taken into custody for unruly behavior. He has been taken into custody for unruly behavior. He has been taken into custody for unruly behavior.

PLASTIC FILM
A caution to parents—those kids, cutting off air leakage. A caution to parents—those kids, cutting off air leakage. A caution to parents—those kids, cutting off air leakage.

NOT HERE
A caution to parents—those kids, cutting off air leakage. A caution to parents—those kids, cutting off air leakage. A caution to parents—those kids, cutting off air leakage.

SAFETY COUNCIL
A caution to parents—those kids, cutting off air leakage. A caution to parents—those kids, cutting off air leakage. A caution to parents—those kids, cutting off air leakage.

Many Children go to school for the first time!

Don't let it be their last!

Your caution can save a child's life—help make an unsafe road a good one.

DRIVE SAFELY
We have every reason for the hope that the immigrants will be of great value to our country. We have every reason to believe that they will be of great value to our country. We have every reason to believe that they will be of great value to our country.

St. Pancras Get Dishes from Flour Company; Highly Pleased

Rev. and Mrs. Wilkins were highly pleased to receive their return trip from their visit to St. Pancras, W.A. met at the home of Mrs. Mary Murray on Thursday afternoon Sept. 23 when Mrs. Shirley Parley was welcomed as a new member. Dishes received from the flour company through the co-operation of Mr. D. Goodman were distributed with pride. Both dishes and tin goods received from the 4-11 Garden Club received hearty welcome from the members. The group decided to have a social on Saturday, October 17th, at the home of Mrs. Mary Murray. The afternoon group of the Ladies Aid will meet at 2 o'clock on Wednesday afternoon, Sept. 24th at 2:30 p.m. when Mrs. Parley will be guest speaker.

FIVE TIMES FASTER

In Northern Italy, farmers are giving a crop of potatoes in 18 weeks. The reason is that they are using the "Five Times Faster" fertilizer.

Some Canadian soil scientists and provincial farmers departments are now experimenting with this fast growing fertilizer. If successful this could mean a revolution in the soil and power industry and equally important a new cash and industrial crop for the Canadian farmer.

Hallowe'en Coming

The pictures here shown are of last year's W.I. Hallowe'en party and show just how well this event has been accepted by the citizens of the district both old and young alike. It was grown from a small beginning to a large sale carnival of costumes and fun and this year will be no exception. If you are going to be in attendance start working on that costume now. It will pay dividends come Hallowe'en.

Rocking Bay Boys

The Rocking Bay Boys club held their October meeting at the Goodwin house with 16 members present.

Tickets were given out on the rifle of our club which we are to rifle off at Merville Brasche's in December.

A very pleasant hour and fine time followed the lecture.

Frank and Ralph Wells were present from Lacombe for a few days on vacation for the week end.

We miss the red car going by. We are sure to hear that Jack Callaghan is a patient in the hospital.

Some of us are wondering if Elmer Felt is taking a patient out on his new truck now.

MEED CLEANING PLANT

The Meed Sewer Cleaning Association Limited met last week, as ordered by A. Mann and J. Partridge Valley as the managers.

They were held in the Meed building on the corner of the street where Mr. Adams hopes to build a new building for the association.

During the next two weeks it is planned to hold all the work on the street.

Mr. and Mrs. Jack Crowder had a party at home last week at the home of Captain Radner.

Paul went on the World-Spead tour. Mr. and Mrs. Charles Schuler and Laura Pearson were present.

BIG VEGETABLES SHOW

Chas. Schuler of Mirror brought in a cabbage over six inches long and weighing 4 lbs. This had no longer girded than we had a large size of beets, potatoes and other vegetables either larger than normal or freaks in nature.

Mr. George Sharp brought in 15 Turnip potatoes, three of which will be good sized grocery stock.

While dining potatoes, Mr. J. Karfornowson found 19 good sized potatoes in a garden and Mrs. Edna Way brought in a potato with a personality.

It was shaped almost identical to a small puppy dog sitting upright with ears and nose and eyes. This is indeed a very fine specimen.

Present to honor Mrs. Cowan for the occasion were Mrs. Eva Cowan of Lacombe on the occasion of her 50th birthday.

The family sat down to a sumptuous turkey dinner at 10 p.m. which was followed by an open house from 10 to 8 p.m.

Following the singing of Maple Leaf Hymns, the honored guest, Mrs. Cowan, was presented with an electric fan from the family.

During the afternoon the family was entertained by Mrs. J. Karfornowson and Mrs. Edna Way.

Honor Fred Sykes' on Anniversary

Which caused much merriment at the Elks' hall.

Small gifts were given for the ladies and girls for various things which they possessed.

A lovely decorated anniversary cake, made by Jack Miller, center of the hall which was adorned with panes.

Only and Ired were seated at the table at lunch time.

Mr. Sykes was also presented with a beautiful mink and a fur coat made by the ladies.

Mr. James Marshall, an old friend of the district and a friend of the Elks' hall.

The evening was concluded with a good time and merriment.

Mr. and Mrs. Ired were the guests of honor for the evening.

A Poster with Mission Not a Murmur

\$2.50 a Year in Canada - \$2.00 a Year in United States

Presentation Made at Bashaw Lodge

At left, Vern Leonard master of Pictorial lodge is shown receiving those from the lodge from Res. David Pannas of Edmonton, who makes the gavel and presents them on his travels to various lodges in northern Alberta areas. The gavel is of quarter cut oak inlaid with ebony and eich hardwoods and is particularly attractive.

To the right M.W. Bro. David Little, present Grand Master of Grand Lodge of Alberta is shown with a past Grand Master Dr. W. H. Henry of Lacrosse on the occasion of presentation of a fifty year jewel to Dr. H. H. Hume, who stands between them. Dr. Henry also speaks on the occasion in respect to new drugs and medical practices and use of leisure time.

GILLARD ATTENDS SPECIAL SERVICES

Rev. Rex Gillard attended the Golden Jubilee anniversary service on Friday evening October 31st at St. Martin's, St. Catharines, Ontario. He was the guest of honor at the service. It was of interest to note that Rev. Gillard served the parish as rector from 1933 to 1954. He also visited several churches in St. Paul's, Ontario, Alberta.

Remembrance Day

Wednesday, November 14 is a public holiday and stores and places of business will be closed.

Special services will be held in the Elks hall at 10:30 a.m. at Legion hall and parade to hall.

Scouts will be holding special services for Remembrance Day, Sun. one place.

PRESBYTERY MISSION

A presbytery mission rally at St. Martin's, St. Catharines, Ontario, will be held on Sunday, November 10th from 10 a.m. to 6 p.m. at the Presbyterian church from Hong Kong, Australia, Portugal, West India, and other lands. It will be a most interesting message.

If all available you should attend as it will be a most interesting service.

LOCAL

Mrs. Philo Schneider returned home Tuesday from Vancouver where she underwent surgery last week.

Mrs. and Mr. C. A. Way and family, including Mrs. D. D. Shepherd at Montrose.

Among those who have gone to the game hunting are: Mrs. Schmitz, Leslie, Susan, Bill, and family, including Mrs. Schmitz, Leslie, Susan, Bill, and family, including Mrs. Schmitz, Leslie, Susan, Bill, and family.

Mrs. Walter Schmitz is a patient in the Cancer Hospital.

Mrs. Martin Harker is a patient in the Lacrosse hospital.

Mrs. and Mr. Paul G. Giesmer and son moved into their new house last week.

Mrs. R. Grant, Wm. Brown, Mr. and Mrs. J. Frost were all at the service.

HI-C Meets

The regular HI-C meeting was held Sunday at 7:30 with Pastor Mack treating the minutes.

The service was well attended and it was decided that Alie be in on the 14th of November. A discussion on "Comp" followed.

Shirley conducted the devotionals and Dennis got the meeting closed. The meeting closed with a song.

Earnest Derringer

Laid to Rest Bashaw Cemetery

Last rites for Earnest C. Derringer, who passed away in Preston hospital on October 12th, were held from the United Church on Sunday, October 13th, with Rev. A. Irving as Officiant.

Burial was in the Bashaw Cemetery.

Close Saturday Evenings

Starting this Saturday the stores will be closed on Saturdays at 6 a.m. as their custom with the exception of a few stores.

This will not affect a Saturday evening shopping trip.

The exception perhaps of one Saturday evening before Christmas.

WI Hallowe'en Frolic Youngsters Out

The WI Hallowe'en Frolic and masquerade was a success again this year with youngsters taking part last there were several prizes for the masquerade.

Winners of the various prizes in the frolic are:

Best Dressed - Tom Munro, Original, Jack Munro, and Jack Munro.

Best Dressed - Tom Munro, Original, Jack Munro, and Jack Munro.

Best Dressed - Tom Munro, Original, Jack Munro, and Jack Munro.

Thanks Legion

We wish to thank the Bashaw branch of the Canadian Legion for their kind and generous assistance in helping to publicize our parade and to provide a drive. In view of the response to the parade, we are very grateful to the Legion for their assistance, even a long way in assisting our community that a severe outbreak of influenza is very unlikely to occur in the future. We have a very high percentage of immunized population. I might add that it has had adult clinic at Bashaw, with an attendance of 253, was one of the largest clinics ever held in our health unit area in our knowledge.

In conclusion we have to thank the staff of the health unit for the very fine assistance rendered in the health unit at all times.

Donald McKay, M.D.

Express Times are Changed

New Co-op. Seed Cleaning Plant Opens today

Reception and Meeting to Follow Tour of New Plant

Various impurities in the seed grain. To the far right the Spillars of the Wheat Pool is shown - watching the seed cleaning machine in operation on one of the first orders of cleaning 2,000 bushels. Mr. A. Adams is manager of the new plant and would welcome any enquiries from shareholders or others. The plant serves a wide area centring on the Bashaw District.

An independent weekly newspaper published each Wednesday at Bashaw, Alberta and entered as second class matter in the Post Office Department, at Ottawa, under the Canadian Newspaper Association and Alberta Press (W.N.S.)
W. R. KENNEDY, Editor

Ye Editor's Page

MAN has achieved so much that he thinks he ought to be able to explain everything and manipulate anything. We would not discount the importance and value of these human achievements but as well as in our homes tonight and reflect on just some of the mighty things that have recently transpired, surely then we can understand the poet's prayer addressed to Marcelino when it was reported that the great inventor was contemplating communicating with Marx.

"Leave us to stars the world hath enough to do."

Without the roar of Mars! Rob not the holy places of their calm; Bring us no idle gossip of the spheres. Let us starve, O wizard, let them tell us!"

We are engaged at top level in a mad race to get the first man on the moon; fantastic but true! Already the Russians claim to have hit the moon and sent another round it to take pictures. All at terrific cost.

Maybe we are satisfied that this has been a good year in spite of continued trouble in agriculture, strikes, and early snow.

Christ came to set men and their world right with God—not only their hearts, but their souls, in their business, their government, secular affairs and to improve man by life. The "Gospel" Christmas 1959.

Christ saved many of these problems not by mandating a new economic system; not by intervening in the ways of supply and demand, tariff or subsidies; but by great research he saved it by being born as a Babe in the manger in the small village of Bethlehem.

On this Christmas angel he comes to us again; to some whose hearts are empty; to others in abject poverty. He comes when wars of sorrow streak down our cheeks; to each and everyone he comes in no many ways but to each in his own way.

May the inspiration of this season bring a new understanding of peace to the hearts and minds of men this Christmas—

Central Alberta Dairy Pool
Alix and Staff Alberta

Three Wise Men Historical Puzzle; Relics at Cologne

Historians have been unable to locate the three wise men who came from the East to visit the infant Jesus in Bethlehem, but they have found their bones in Cologne, Germany.

The bones were found in a tomb which was believed to be the resting place of the three kings.

The bones were found in a tomb which was believed to be the resting place of the three kings.

CHRISTMAS EVE IN OLD TIME FINLAND

The Christmas Eve bath was quite a tradition in Finland before the advent of modern plumbing.

The children played a game called "Joulukalenteri" (Christmas calendar) which was used for counting down the days until Christmas.

Tyrants Fear the Holy Infant of Christmas

By the Rev. Dr. Franklin Clark Fry, President, United Lutheran Church in America.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Everyone knows that the tyrants of the world are afraid of the Holy Infant of Christmas.

Joy to the World

It is with a great deal of sentiment and joy that we extend to all our friends Merry Christmas and a Prosperous New Year!

HOLIDAY BEST WISHES

May the spiritual glow of this glorious
season remain with you and
bless you through the coming year.

J.G. Pearson

J.G. PEARSON LAURA - HENDER - and HELIA

May the true meaning of the season
come alive in your heart with joy and
happiness for a truly Merry Christmas!

JOHNSON'S

BASHAW ALBERTA

SEASON'S GREETING . . . Young voices raised in harmony
with the songs of the season. This is a part of Christmas that is
traditional almost everywhere. Children whose voices represent
millions of New York's St. Vincent Ferrer Church Boys' Choir.

WHAT ABOUT AFTER CHRISTMAS?

What happens the day after Christmas?
Is the spirit of Christmas "gone"? Is harsh preparation and antici-
pation, enjoyed but briefly, then thrown aside with the wrapping
paper and related rubbish?
What happens the day after Christmas?
Does one breathe a deep sigh and say, "I'm glad that
it's over for another year?"
If one happens, then certainly we are not "keeping the Christ-
mas." The spirit of Christmas is superficial. Our Christmas symbols
and customs, many of them right in their origin, are only dis-
tinctive hangings for creating a festive spirit.

But Christmas is not superficial. Christmas is REAL. And as
most observers of the holiday in REAL, get out the more matter of
observing customs and practices as a matter of conformity.
The gift is gone from everywhere, but holy wreaths on the day
after Christmas. The tree suddenly becomes old and drops its needles
upon the carpet. Its lights show the bright figure of Santa where the
mantle or doorway. It simply hangs there, devoid of glamour and
striking little satisfaction.

It has happened
Unless we have "kept the Christmas" in preparation for, and
observance of Christmas Day, then we have observed in unmeaning
hurry.
This year, let us keep the Christmas in a spirit that will keep the
pleasant memory of the holiday deep in our hearts for the remainder
of the days after Christmas.
As we observe the Christmas, we must find time to meditate upon
the great reality that upon this day Christ was born, bringing all
mankind the promise of eternal salvation. This is the message of
Christmas and the secret to the powerful keeping of Christmas
ever and ever.

PREVIEW . . . There are few
things more exciting in the
winter who has been making
and waiting for Christmas than
seeing down the stairs to see
if the jolly old gentleman has
arrived. If the time is yet too
early, when to know if a father
desires to let up with the
obedience and great old Santa
when he comes?

MERRY CHRISTMAS

May your holiday be
bright with blessings,
enjoy with good cheer.

C. H. Johnson

We hope your home and heart
will be filled with laughter, joy and
good will this glad Holiday season—
MERRY CHRISTMAS!

HOUSE WARMING AT

THE MRS. ED. ZIMMER

A girls house warming was

held on Mr. and Mrs. Ed. Zimmer last Saturday evening.

When friends, neighbors and relatives surprised them with a

housewarming. The evening began with exchanging greetings

and visiting with Mr. and Mrs. (Dever) Schickelmeier. In

view of their apartment which has all the new housing and every-

thing in the house, the dinner was a

little more than a social gathering. At midnight Mr. and Mrs. Zimmer

gave a party of money on behalf of all those present and

Edwin and Barbara left with their lovely new home. Coffee and a delicious lunch followed.

About Town

In a letter reminding their Star subscribers Jack and Mrs. Travers at Callahan's stated they were having some kind of rain and it the young lady were having a time something like that until he got to see it.

Mr. Wm. McMahon and Mr. and Mrs. K. Keller spent the week end in Edmonton.

ZION LUTHERAN ANNUAL MEETING

The annual congregational meeting was held last Thursday January 14th in the church with the following business in attendance. Pastor Stearns opened the meeting with devotion. The church book read the minutes of the last annual meeting. (Ann. Veris) Then presented the treasurer's report which showed that after expenses for (Veris) (Lutheran) World League, Students Aid, etc. were sent and all local contributions looked after, a good financial balance remained. The Sunday school, Ladies League and Pastor's reports were well received.

In the election of officers for the church's council Paul Kistner was re-elected. William Hartung and Henry Rota were newly elected for a term of three years. Other members of the council are: Martha Schickelmeier, Leslie Rota, (Veris) Veris, Richard Rota, Walter Rota, and Emil Rota. Retiring members were David Beisel and Elmer Rota.

A shipment of 500 lbs. of un-

der clothing was also sent from this parish for use overseas and

refugees

YOUTH CENTRE:
During the past year Bashaw has been fortunate in that most age groups of boys and girls have been in one of the numerous organizations of other towns, clubs, C.I.C. and other organizations. The same time you can sit, sleep and have had to establishment of many other age groups. The Students Union of the high school and the youth center have also taken care of some recreational needs. The Bashaw Youth Center has been the backbone of the youth center. This type of programs will put off not only the youth but also the parents. It is important to have these organizations have seen fit to support them.

RANCTORY COUNTRY
Hundreds of acres around the lake, and machine close to it make this area ideal for the raising and rearing of certain types of birds. Each year of course ducks by the hundreds are shot and the owners are not only making money but also making a name for themselves. It is not only making money but also making a name for themselves. It is not only making money but also making a name for themselves.

SMALL TOWN FEYER

There is at least one thing about a small town—when something suggested by anyone is accepted it will take an army of opposition to convince them they can't have what they have accepted. This and upon the persistence of small towns (not small people) have won out if they "stick to the guns" or "bowl to the line"—for eventually what they dreamed is recognized by other people. In an indicating their desire for their community to become a small town, the Bashaw Youth Center has been the backbone of the youth center. This type of programs will put off not only the youth but also the parents. It is important to have these organizations have seen fit to support them.

WE INVITE YOU
The small towns along 21 invite you to take a trip this year. The Bashaw Youth Center has been the backbone of the youth center. This type of programs will put off not only the youth but also the parents. It is important to have these organizations have seen fit to support them.

WHAT HAPPENED TO THE OLD SCHOOL, DAD?
There was a day when the school book and strap were as important as the text book in the modernization of scribbles to perfection we lost one of the vestiges of the old school. There were fancy ones, plain ones and even ones that had the words "I am a student" written on them. The school book and strap were as important as the text book in the modernization of scribbles to perfection we lost one of the vestiges of the old school. There were fancy ones, plain ones and even ones that had the words "I am a student" written on them.

THE LADDER CLUB
The Ladder Club has been a very successful two day ladder club this year. The Bashaw Youth Center has been the backbone of the youth center. This type of programs will put off not only the youth but also the parents. It is important to have these organizations have seen fit to support them.

March

to Bashaw Star
An independent weekly newspaper published each Wednesday at Bashaw, Alberta, is controlled and owned by the Bashaw Star and Alta, Frankfort, Ontario. The Bashaw Star and Alta, Frankfort, Ontario, is a member of the Canadian Newspaper Association and the C.N.A. W.R. NEWSON, Editor.

Ye Editor's Page

NO TURNING BACK
The decision to spend the \$10 per capita provincial recreation grant on an enterprise that can be forever to the land has many of the citizens wondering in the smaller towns. Where no areas exist, this has started some thinking. Where existing areas are artificial in the sense of discussion, a public opinion or gymnasium are not suitable people have started thinking in these terms.

At the meeting on March 21 there will be plenty of discussion. For instance, \$7,000 can be spent artificial ice on 2 acres; \$4,000 could do much to provide a park and place for tourists; the same amount started and added to could become the nucleus for a lake, a gym, or a youth centre. The first decision to be made is going to try and complete the project in the limit of the grant, or use it only as the nucleus for a larger project. Are we going to have for the youth of the town now and for years to come, or ourselves only. Are we going to use it for sport alone, or other forms of recreation? All these things will be made known before that time in our minds. And we must be careful that what we are building will not be for the future.

TELEPHONES, POWER AND GAS
We are an unstarved people, and when storms such as the one which hit the first of the week hit us, we are in our homes, turn on the TV, in a garage, home, put on the electric kettle, and phone our friends to come over. Little do we wonder how all these things work. We are in the worst of storms, summer, winter, and if anyone of our heating, cooking or communication service is interrupted, we want to know what has happened. We are in the utility, big and large in Western Canada we have trouble in the utility, and we know the importance of their job and also know their responsibility for service is greater in times of crisis.

It is a job that not everyone can be suited for and sometimes it takes the patience, the love, to calm people whose bills are too high, whose power or gas is out, or whose telephone doesn't seem worth the job. One in a year (not Christmas) we should phone our utility representatives and instead of giving them bad comments, tell them how nice it was to have service restored during the storm. Our overcautious and nitpicking trouble-shooters in utility services, rooms and more rooms.

No better investment for this year can be made in Bashaw than a routine check-up on the utility representatives and instead of giving them bad comments, tell them how nice it was to have service restored during the storm. Our overcautious and nitpicking trouble-shooters in utility services, rooms and more rooms.

TIME FOR PICTURES
Some of the best pictures of the year can be seen in the United States. The two Bashaw churches on March 4 at 4 o'clock with the other churches taking up the service.

Constitutional to Mr. L. Sullivan and Mr. R. Sullivan. The two Bashaw churches on March 4 at 4 o'clock with the other churches taking up the service.

The United States of America will be in the United States. The two Bashaw churches on March 4 at 4 o'clock with the other churches taking up the service.

Here And There
Miss Judith Schatz and Trevor Thomas have spent the past few days at home with her family. She is now on her way to Vancouver and will be in the city for a few days. She will be in the city for a few days. She will be in the city for a few days.

WHY NOT A COMPANY?

The smaller towns, too, have their housing problems and are sure that they can do more to improve their town than we can. With knowledge that it is the only mortgage company in the smaller towns, our own company for both loans and construction. There is no one else in the area who would act as supervisors. With this kind of help we need have no fear of approaching C.M.C. for loans of the government housing money which has been promised up to a large percentage, and who in turn have made provision in building up new subdivisions in cities. Now is the time to do it.

THE SMALL TOWN ECONOMY

With no regular payroll, and a year in which our conditions are being in the thousands of dollars that normally are being in the smaller towns are finding it quite difficult to operate. It is very clear that the payroll of civil service has been a great expense and government departments have added in keeping manual labor away. Surely we are not alone in this. We pay in proportion exactly the same for government services as those who are not. We know of no free way for either federal or provincial officials to show their appreciation of these towns. We are losing out on other things. We are losing out on other things. We are losing out on other things.

Dates To Remember - Alix

It is to remember. Everyone is asked to support a benefit dinner in aid of a family bread winner. The dinner will be held in the hall of the town hall. It is a very important event. It is a very important event. It is a very important event.

The Bashaw Star

An independent weekly newspaper, published each Wednesday at Bashaw, Alberta, under the ownership of the Bashaw Star and Alix Promoter. Published by W. E. Jennings, Editor. Newsprint Association and Alberta Press CMA.

Ye Editor's Page

RED CROSS MONTH
This month in Red Cross month and this year has not been in the last few years contributed to the cause in any degree. This is a blight on our record. We, of course, are going to any hospital have not received the gift of Red Cross to hospitals in Alberta. Some should still be able to give something other in money or in service.

This year the Red Cross are sponsoring a head up to a water supply campaign and these two items alone should be borne in mind this year. There is no other place to rescue the financial support that Red Cross operates on, than from the citizens and their whole population is designed to help that same citizen in war, peace, disaster.

The dollar you give to Red Cross is the most active dollar in the world. It is hoped that when the volunteer work calls you will do what you can. Remember he is working for nothing that other might be doing something. If you can't give, will you work for it or the other is a duty.

PEW SITTING
It is strange indeed, if you have noticed that invariably people who go to church prefer one side or the other; that when they sit to church, they sit on the same side as the church; that when they get in halls they sit on the same side as the church. In what this indicates are not sure but they give room for thought when arranging seating for your next dinner.

JOBS FOR SUMMER
With the summer season only a jump away it behooves citizens and business men to start planning for that time. During that season many young people of high school age, and some younger, will be looking for work, and if they can find it here it means they should be able to save more money.

Each year hundreds of students flock from rural areas to large centres to take summer vacation, and this is a source of power to the community. If you by any chance expect to take an extra summer help, plan now to get them early in May and late August and the month. Perhaps even the best time to get them.

HANDYMAN ABOUT THE HOUSE
As you go about the house, you will find a few things that need attention. The wood block head - one of the most useful and most abused in the house. It is in every room, but still appears to be a new thing in the house.

So any plan for improving the inside of a house is pointless unless the wood block head is in good shape. You can't see the walls with curtains and the windows with curtains.

But no amount of decoration or fancy furniture can completely cover a bad head.

So here is a step-by-step plan for refinishing an old floor.

OPERATION FLO
You have to remove all previous floor finishes and scrape the surface smooth. Then sand there refinishing.

The last step is to power sanding. This is done by using a power sander with sand and vigorously infusing paint remover.

Many hardware stores now rent out sanders - the drum type that look like vacuum cleaners. You need a supply of sandpaper in coarse, medium and fine grades.

First, move out furniture and drapes and get off the clutter round about. Then sand the floor with the drum sander. Look around for projects and hammer them on the floor and hammer them on the floor.

OPERATION TWO
Push the machine across the grain of the floorboards, using a drum sandpaper. Push it steady back and forth, over the grain, repeating previous runs.

Never let the machine stop while it's sanding or job.

Artificial Ice Discussed At Curling Clubs Annual Meeting

Bob Jensen was named the new president of the Bashaw Curling Club. Al Wright, Vice President and Don Whately the secretary of the annual meeting held in the Elks hall last evening.

Named to the executive were: Treasurer, Phillip Schneider; and Secretary, Don Whately. The treasurer's report showed a credit balance of \$10.00.

There was comment and discussion picked up in the town which would mean that a good dry cleaning plant of moderate size should be established in the town and to a service not only for themselves but for the community.

Certainly, the incorporation of a small laundry could make a real business enterprise flourish. The day of the long hair Chinese family man, who was in every town and village in earlier years has never been completely forgotten, for they rendered a service which today we do without.

A DANCE TOWN
Down through the years of social activity in this community the dance seems to have died. It is even for judging on some of the few late years appears to be good support providing it is well presented. There are few places where a dance can be held, particularly as often as they are in the town. This would indicate perhaps that they want to come to dance or have some other valid reason for coming to town on those nights.

The Saturday night dances which have been held for years, have more of the energy and continue to draw just as large a crowd as the other nights.

Bashaw is a dance town and it is hoped that nothing will ever happen to discontinue the dance scene as it must have survived in other places.

LIGHTER NOW
As always with the coming of the summer season daylight comes earlier and with the sun rising before 7 o'clock it is possible to get out and get work done before traffic and movement starts. There is a lot of feeling that to be up early and to take each day knowing that before night falls you will have accomplished what you want to do is a good thing.

Any day later, early hours gives us time to work and late evenings add to the joy of the day. What has been accomplished.

George Bonke Dies At Ponoka
Monday, March 11 from the flu, George Bonke, 67, of Ponoka, died at his home. He was a well known member of central Alberta, who died at the age of 67 years.

Mr. Bonke had been a resident of Alberta for 31 years, and was married with the Canadian Army forces in 1914-15.

OPERATION THREE
Finish the floor to suit the room. Push the sandpaper over the floorboards, overlapping as you go. This time has been kept going all the time.

OPERATION FOUR
The new finish should be applied as soon as possible, before the floor is too dry. Scrape floor will always be smooth and level.

You may want to stain the floor lightly (oil stain) before the finish is applied. Brush the floor in the direction of the grain. Then dry the floor for 24 hours.

OPERATION FIVE
Use a brush or roller to apply the finish. If you are using a brush, use a brush with fine steel wool.

Use two coats of varnish over the first coat. If you are using a brush, use a brush with fine steel wool.

Use two coats of varnish over the first coat. If you are using a brush, use a brush with fine steel wool.

Ye Editor's Page

DINING OUT
With the coming of the years and another World War to disrupt the cities and towns, there has almost vanished from the table some of the old fashioned delicacies and silver and at present. At one time every town or even village, and even a small hamlet had a dining room in connection with the hotel, usually where anyone was able to sit down like a king in his castle and enjoy a repast. Today almost every restaurant and coffee shop is beautiful. Finished in every corner except white; plastic table tops like the shape of linen and "dripless" glasses replace crystal. (Cupage) were in use where silver was once predominant. Oh, for the chaser of the age, in eating. It certainly has given pie and coffeehouse openings in trade value, and not cigarettes and candy as king at the front, but taken away pie, have forever the material of grandeur in the dining room.

NO SPEEDWAY NOW TEST TRACK
The main street of Bashaw, as wide and smooth as it might be, is no test track for stock cars, passenger cars or motorcycles and although Sunday some thoughts it was sooner or later they will learn the "hard way" and have it sooner than later. It is difficult to prove how fast a car is going but it is difficult to prove that driving dangerously to the detriment of children, is safer than on a street than on a public highway. Any speed is too fast if a child starts out on the street and is knocked down and any driver should be able to stop on a dime when driving the streets of town. There were some last week and who couldn't have stopped if the street were made of sandpaper and they had been fast on their lives. They must have had a lubricant on their brakes.

SO FAR AND YET SO NEAR
We had occasion recently to travel to the far east side of our province for an evening and marvelled at the progress even there since the dismal thirties. Consonant, a busy small metropolis, thirty or so miles from the Saskatchewan border, is a town not unlike our own in its location. Perhaps smaller, and standing as a guard over the buffalo range prairie it surveys much of the trading area. It serves, however, in small towns there was a fairly new hospital and a lovely school in addition to the other requirements that a small town has. We are reasonably certain the area has a much smaller urban and rural population than ours, yet here stood the services which this town of Bashaw has been looking for for the past fifteen years. And only this week another meeting is being held to determine whether further will have another hospital. Must be the people. For everything else fits the population here and we are unable to convince the minister that a hospital is a key to a community's growth and economy.

TOO FEW TO ACT
Every organization has a period in its life, perhaps during every year when no one wants to take on the job of running the organization, or the club, or heading up a project. "Don't ask me," has become one of the most popular phrases in organization. Yet if you do not do it, who do you expect will do the next job. For there are always other jobs coming up. The work in an organization is best done by committee and if committee heads will work with their own small group there are no jobs which are insurmountable. Too often though the job is left to the executive who have already more than they can handle in digging out new projects and ideas to foster. Remember, then, the next time you are asked, you are being asked because it is your turn, and the executive believe you to be capable.

CLEANUP OF ALLEYS
One of the worst holes in our otherwise beautiful town are the alleys with their

gatherings of trucks, old machinery, garbage, spring tires, cans, and old wood. There is enough grime among the citizens to make sure their back side is as clean and presentable as the front. We have good alleys and soon they will be re-gravelled. If we have all the time to get out and throw out the accumulation of junk which now clutter them.

NO SPEEDWAY NOW TEST TRACK
The main street of Bashaw, as wide and smooth as it might be, is no test track for stock cars, passenger cars or motorcycles and although Sunday some thoughts it was sooner or later they will learn the "hard way" and have it sooner than later. It is difficult to prove how fast a car is going but it is difficult to prove that driving dangerously to the detriment of children, is safer than on a street than on a public highway. Any speed is too fast if a child starts out on the street and is knocked down and any driver should be able to stop on a dime when driving the streets of town. There were some last week and who couldn't have stopped if the street were made of sandpaper and they had been fast on their lives. They must have had a lubricant on their brakes.

SO FAR AND YET SO NEAR
We had occasion recently to travel to the far east side of our province for an evening and marvelled at the progress even there since the dismal thirties. Consonant, a busy small metropolis, thirty or so miles from the Saskatchewan border, is a town not unlike our own in its location. Perhaps smaller, and standing as a guard over the buffalo range prairie it surveys much of the trading area. It serves, however, in small towns there was a fairly new hospital and a lovely school in addition to the other requirements that a small town has. We are reasonably certain the area has a much smaller urban and rural population than ours, yet here stood the services which this town of Bashaw has been looking for for the past fifteen years. And only this week another meeting is being held to determine whether further will have another hospital. Must be the people. For everything else fits the population here and we are unable to convince the minister that a hospital is a key to a community's growth and economy.

TOO FEW TO ACT
Every organization has a period in its life, perhaps during every year when no one wants to take on the job of running the organization, or the club, or heading up a project. "Don't ask me," has become one of the most popular phrases in organization. Yet if you do not do it, who do you expect will do the next job. For there are always other jobs coming up. The work in an organization is best done by committee and if committee heads will work with their own small group there are no jobs which are insurmountable. Too often though the job is left to the executive who have already more than they can handle in digging out new projects and ideas to foster. Remember, then, the next time you are asked, you are being asked because it is your turn, and the executive believe you to be capable.

New Methods to Meet Your Demand

ANY TIME OF THE YEAR we are constantly planning, baking new and seasonal products for your appetite.

Each product that comes from Bashaw Bakery is up to the minute high standards that we demand on all new and modern machinery to keep pace with the quality product for you. Stop in and when you get your daily supply of fresh bread look for the good quality that makes our bakery products in constant demand. They're good for you too!

Bashaw Bakery

AS LOCAL AS YOUR NEWSPAPER

Its pages may carry news from around the world but you think of it as your local paper. And it is—reporting local events, identifying local people and the daily life of the community.

In much the same way, the breadth of the chattered back where you do your banking is a vital part of the local scene, serving local needs—serving you.

At the same time, however, the local branch is part of a larger, national-wide banking system. As much, it puts at your disposal knowledge, experience and resources that extend far beyond local horizons, linking your community with the rest of the world.

KIMMELMAN'S

Anglican Junior Group Busy

The regular meeting of the St. Peter's Anglican W.C. held at the home of Mrs. H. W. May with 15 members and one visitor present.

Mrs. Mary Matthews presided, opened the meeting with prayer. The minutes and the treasurer's report were received.

Commitments were read and some were voted. After the business session, which included some Karasol.

The secretary, Lena Reed of the Ladies reported a large list of finished articles had been sent to Mrs. Mann at Calgary.

A report was given by Mrs. P. Holt that the junior girls had been busy making spoons to make amulets. It was announced that A. J. rally would be held in Lethbridge, B. C.

A committee to investigate the cost of building a kitchen on the parish hall was named.

The W.A. offered to assist the A.M. W.A. with lunch at

May 27 after the services there.

A complete and interesting report on the W.A. Red Deer Diocese meeting held in Deltona was read by Mrs. H. W. May.

Following the report Mrs. P. Holt continued with the study period reading on interesting views about Mary Linde from the United Presbyterian of the United Church of Christ.

There were book entitled Industries and Agriculture in Asia, Africa.

Lunch was served afterwards in the parish hall.

Concern over Pk Anemia is Expressed

WALTER L. MCNARY

Doctors here are concerned over the possibility of iron deficiency anemia in the city of Vancouver. A study of 1000 blood samples, reported by the University of British Columbia, indicates that 10 per cent of the population is deficient in iron. The study was conducted by Dr. J. H. McNeill, a professor of medicine at the University of British Columbia, and Dr. W. L. McNary, a professor of medicine at the University of British Columbia. The study found that 10 per cent of the population is deficient in iron, which is a common cause of anemia. The study also found that 10 per cent of the population is deficient in iron, which is a common cause of anemia. The study also found that 10 per cent of the population is deficient in iron, which is a common cause of anemia.

Contract for highway 53 Let to Lethbridge firm

The Honourable Gordon R. Taylor, minister of highways, announced today that the contract for highway 53, from the Fraser River to the Columbia River, has been let to a Lethbridge firm. The contract is for the construction of a 100-mile highway, and is valued at \$10 million. The firm that has been selected is the Lethbridge firm, and it is expected that the highway will be completed by the end of 1961.

PROUDLY WESTERN

A Salute to Alberta's Ukrainian Pioneers and their Descendants

From a photograph of Ukrainian women tending on outdoor buns soon in the Vegreville area about 1905.

From a photograph of Ukrainian women tending on outdoor buns soon in the Vegreville area about 1905.

These are the non-farm "men and women in sheepskin coats"—proudly proud Ukrainian peasants who, under the often-mentioned scheme of the late 19th and early 20th centuries, came to the Canadian prairies by the thousands to homestead the land.

Their costumes—embroidered sheepskin coats, drawstring trousers, the long scarlet hosiery of the women—were virtually uniform. But the vigor and enthusiasm with which they launched themselves on their new tasks, and the shrewd knowledge which they brought to the grain-growing industry, soon brought them to that of modern times. Today, with Ukrainian-Canadian agricultural settlements among the most progressive in the province, and with Canadian-born second and third generation Ukrainians prominent in government, business and professional fields, there is no wonder that the term of "Ukrainian Sheepskin" has become a household name.

Another proud woman, the Calgary Brewing and Malting Co. Ltd., acknowledges, together with all Albertans—the contribution of the Ukrainian ethnic group.

The Bashaw Star

Ye Editor's Page

RETAIL MIDDLES
While the larger cities and communities have been favored in years past with large contractors putting in buildings on a grand scale, it is now the turn of the smaller towns like Bashaw and of similar size. These towns have been the recipients of individual bids to build their own. As a result there has never been such a large amount of money going into the building of these towns as there is now. It is time to take care of the residents people. Of late months there has been an extreme shortage of both houses for sale on a permanent basis or for rent. We have seen a number of inquiries in regard to rentable housing from people who work or are contemplating work in our village. If you have a house, or preferably a house for rent, kindly let it be known to the Chamber of Commerce who will do all they can to rent it for you. If you would sell your house with a small down payment, and a payment each month, please let us know.

BEST CONSIDER BASHAW
There are a few new ones then who are retiring from the farm and wondering where to go to retire. We have a place where you have lived in this district with your friends for years, then the best place to retire is in Bashaw. With all the facilities of the larger centers, and some active work being done on more, we feel you could find it to your own years among your friends, who are just as ready to help you. We can't tell you this plan, but you can at least take into consideration before moving away from us. Inquire, ask and you shall be satisfied to stay here.

Ferintosh Girl writes of Philippine Mission work

Mrs. Inge Olsen was named in charge of all materials and donations to the "Our Father" society at the recent meeting of the (Lutheran) Women's Guild, at the Hotel of Trade and Commerce, in the city of Manila. The society is a branch of the Lutheran Church of North America, and its purpose is to help the poor and suffering in the Philippines. Mrs. Olsen, who is a native of Norway, has been working in the Philippines for several years. She has been very successful in her work, and has helped many people in need. She has also been very active in the church, and has helped to build up the church in many ways. She has been very kind and helpful to everyone she has met, and has been a great blessing to the church and the community. She has been very successful in her work, and has helped many people in need. She has also been very active in the church, and has helped to build up the church in many ways. She has been very kind and helpful to everyone she has met, and has been a great blessing to the church and the community.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

Dr. James Buchanan, Director of the Canadian Veterinary Service, has written a book on "Efficient Feeding and Livestock Management". This book is a practical guide for farmers and stock raisers, and contains many valuable tips and suggestions. It covers a wide range of topics, including the feeding of different types of livestock, the management of pastures, and the prevention of diseases. The book is written in a clear and concise style, and is easy to read and understand. It is a must-read for anyone who is interested in improving their livestock management skills. The book is available in paperback format, and can be purchased from many bookstores and libraries. It is a great resource for anyone who wants to learn more about efficient feeding and livestock management.

Did You Really Know?

That hundreds of thousands of dollars are annually expended in your village from the cream cheese which is sold in your village. This is a fact which is not generally known. The reason for this is that the cream cheese is sold at a very low price, and this encourages people to buy more of it. This is a bad thing for the economy, because it means that a lot of money is being spent on a product which is not very valuable. The solution is to raise the price of the cream cheese, so that people will buy less of it. This will help to reduce the amount of money that is being spent on this product, and will help to improve the economy. This is a fact which is not generally known, and it is important that we all know about it. We should all be aware of the fact that the cream cheese is sold at a very low price, and that this is a bad thing for the economy. We should all be aware of the fact that the cream cheese is sold at a very low price, and that this is a bad thing for the economy.

DEATH takes NO HOLIDAY on our highways!

DRIVE A SAFE CAR

Most of last year's thousands of traffic fatalities could have been avoided. Many of the cars involved were unsafe. Before you get on the highway, drive in for a safety check-up. A little time may save a life—and it may be yours. AND, please remember! Only the safest car is as safe as its driver. Check your temper and your traffic laws. AND DON'T FORGET—mixing alcohol and gasoline equals DANGER! This is a very important message, and it is one that we all need to hear. We need to be aware of the fact that many of the cars involved in traffic accidents are unsafe. We need to be aware of the fact that many of the cars involved in traffic accidents are unsafe. We need to be aware of the fact that many of the cars involved in traffic accidents are unsafe.

Uncle David

Uncle David is a character in a story. He is a man who is very kind and helpful. He is always ready to help anyone who is in need. He is a very good person, and he is a great example for everyone. And From The Other Hand

Hail at Water Glen

Water Glen, July 1, 1960—Received word that a heavy hail storm hit the area on Sunday night. The hail was reported to be about the size of a golf ball. The damage to crops and property is being assessed.

Grudge Fight for Anniversary

A fight that started in 1951 and has never been forgotten is being fought again on the anniversary of the event. The fight was between two men who had a grudge against each other for many years.

Mirror fire

Mirror residents were shocked when a fire broke out in the building on Sunday night. The fire was caused by a faulty wiring in the building. The fire department arrived quickly and extinguished the fire.

Improvement seen in Private House Loans

OTAWA—A C.P. report indicates that the private house loan market is showing signs of improvement. The report states that the number of new loans has increased and the interest rates have decreased.

Rocking Bay

On Friday the Rocking Bay area was hit by a strong wind. The wind was reported to be a gale force. The damage to crops and property is being assessed.

ther "today" or "tomorrow" he will answer with one of these choices:

Communications between supervisors and employees can be plan to follow in using this word:

First, agree with the employee

Second, resolve the argument. This is merely an expansion of the first step.

Third, present the other side of the argument with a "but" phrase. This "yes, but" word game will avoid starting an argument with a "but" word in the mind of the employee.

Why not try this word magic on the next employee relations case that develops? To wit: "I'm glad that you've been with the company for 10 years."

Medicine Hat Wedding of Interest here

HORNSCHMIDT

(Medicine Hat News)

St. Peter Lutheran church was abuzz with activity as a wedding ceremony was held on the morning of July 26 when the bride and groom were joined in Holy Matrimony by Rev. Dr. H. J. Hornschmidt.

The bride, Miss Mary Ann Hornschmidt, daughter of Mr. and Mrs. H. J. Hornschmidt, was given away by her father, Mr. H. J. Hornschmidt.

The bride wore a white gown with a full skirt and a long train. She carried a bouquet of white flowers.

The groom, Mr. H. J. Hornschmidt, wore a dark suit and a white shirt. He carried a sword.

The ceremony was held in the morning at 10 o'clock. It was attended by many guests.

Quality First ...

Quality is a factor that through the years shows no change. If your product is quality, no one is the demand with today's market. We understand that every day job we do, whether it be bread, home, parties or anything else, we put into them the best quality products. We take no shortcuts when it comes to quality. We are quality customers can bring this about, and we appreciate that you, as our customer, want the products which we make.

Red Deer, Alberta

THE NEW FACE OF AN OLD STORE

Presenting a fresh new appearance the store was completely renovated. The new, modernized interior, with its large windows, was renovated from the old style front shown below. In addition the floor was taken out and new floor and tile laid; new fixtures, all steel with lighted fixtures added to the fresh new appearance and merchandising displays are made for easy access by the shopper. Minor renovations were also carried out in the dispensary and stock rooms.

Each section is departmentalized and the lighted fixtures give information with well lighted tiles. The

THE OLD FACE BEFORE RENOVATION

store is one of most up to date for its site in Alberta and Mr. and Mrs. Pearson deserve much credit for having this kind of faith in their community.

Drop in on Grand Opening day, brown, register for your special prize and get your free gift items. Renovation was under direction of Raymonde Construction of Red Deer and other fixtures were supplied as noted in the various advertisements offering congratulations.

BEST WISHES

on the opening of your modern
DRUG STORE

In appreciation we take this opportunity to thank everyone for their co-operation. It was a pleasure to work and do business in your Village.

is necessary to ensure an effective program. This however should be kept as simple as possible but consistent with good re-

The advantages to be derived from such plant maintenance and operation are many. Economy is perhaps major feature, but so hospital can afford to invest in the numerous opportunities which good engineering offers.

SLICE NOTES

A dinner rally was held Tuesday afternoon at the home of the conference U.I.C.S. Staff. Mrs. George Storer was the director of the affair. Present were the director and assistant Mrs. Henry Miller.

Mrs. and Mrs. Charles McKelvey of Bethlehem, Washington were guests of honor. Also present were Mrs. George Wheeler, assistant director of the conference, and Mrs. J. W. Starnes, the Drummerhead lady.

Ye Editor's Page

DRESSING UP FOR THE DAY
With the village celebrating its 80th anniversary next Monday with a special celebration at the grounds, it behooves all business places to take some interest in the National Day. The editor of this paper has decided to display old time items in keeping with the occasion. What time cannot remember how jolly, with elastic, long cut stockings, old felt hats, brown boots, brown sugar, a sack, raisins in bulk, etc. Four stacked were not most accessible to the dog and fellow pupils.

To say nothing of red flannel underwear, cut of lights, candles, salt pork, hams of bacon, whose cloth covers, but leaf and sulphur and salt. More than the hearts of the old timers agree to wear again on display such items—even if only for display.

Let's get in the spirit of the celebration and spend some time in preparation. After all the celebration is a whole year long.

STANDARDIZING MODELS
Despite what the public want, there is every indication that they want to see what is best in the car line. Hundreds of cars are too badly designed and cost too much to finance of motor vehicle—come still good for years of running.
If models of new cars all make have been standardized in body style at least for a period of three or four years, the car would not have got out of line of the average purchaser. Now to retain the 1960 models where they are could still save many hundreds of dollars in the average buyer and put him in a position where he wouldn't have to waste. The car models of the past three or four years have been standardized, and in general, standard, and would very well have done favour till 1961.

Part of this trend of changing style, although apparently demanded by the buyer

DA Notes

New Bulletin Available—A new bulletin is now available from our office which will have several items of interest to people who are allergic to anti-biotics.

Under Canada's Food and Drug Act, certain anti-biotics are considered hazardous. They may be used and they must be used in accordance with the provisions of the act. The bulletin contains a list of anti-biotics which are hazardous and a list of anti-biotics which are not hazardous. It also contains a list of anti-biotics which are hazardous and a list of anti-biotics which are not hazardous.

SEED MANAGER FOR ROYAL WINTER FAIR

I will continue to say there is as much to be learned from the fair as there is to be learned from the fair. The fair is a place where you can learn about the fair. The fair is a place where you can learn about the fair.

THE HOME AND SCHOOL

With the opening of the school another organization uncovers its that of the summer and breaks forth to play upon the stage of the parent public. Home and School will soon be starting its activities. There are some who feel that this group have done an alliance with the school which is not in the best interests of the school.

There are some who feel that this group have done an alliance with the school which is not in the best interests of the school.

STANDARDIZING MODELS

Despite what the public want, there is every indication that they want to see what is best in the car line. Hundreds of cars are too badly designed and cost too much to finance of motor vehicle—come still good for years of running.
If models of new cars all make have been standardized in body style at least for a period of three or four years, the car would not have got out of line of the average purchaser. Now to retain the 1960 models where they are could still save many hundreds of dollars in the average buyer and put him in a position where he wouldn't have to waste. The car models of the past three or four years have been standardized, and in general, standard, and would very well have done favour till 1961.

Part of this trend of changing style, although apparently demanded by the buyer

PAULI Notes

A new bulletin is now available from our office which will have several items of interest to people who are allergic to anti-biotics.

Under Canada's Food and Drug Act, certain anti-biotics are considered hazardous. They may be used and they must be used in accordance with the provisions of the act. The bulletin contains a list of anti-biotics which are hazardous and a list of anti-biotics which are not hazardous. It also contains a list of anti-biotics which are hazardous and a list of anti-biotics which are not hazardous.

SEED MANAGER FOR ROYAL WINTER FAIR

I will continue to say there is as much to be learned from the fair as there is to be learned from the fair. The fair is a place where you can learn about the fair. The fair is a place where you can learn about the fair.

THE HOME AND SCHOOL

With the opening of the school another organization uncovers its that of the summer and breaks forth to play upon the stage of the parent public. Home and School will soon be starting its activities. There are some who feel that this group have done an alliance with the school which is not in the best interests of the school.

STANDARDIZING MODELS

Despite what the public want, there is every indication that they want to see what is best in the car line. Hundreds of cars are too badly designed and cost too much to finance of motor vehicle—come still good for years of running.

Why You Should Get Out and Vote for the By-Laws Sept. 2nd

On Friday, Sept. 2nd, 1960 you will be asked to vote on four very important by-laws of the village.

1. To provide water extension services to the flats and Railroad Avenue.
2. To provide sewer extension services to the flats and Railroad Avenue.
3. To give permission to the village to borrow money for installation of water meters.
4. To give authority to the village to grant oil and gas income on the half section which includes the agricultural grounds.

ALL FOUR ARE "RATE BALANCE AND YOU VOTE FOR OR AGAINST ON EACH BALLOT."

Because there are many questions being asked in connection with all four by-laws and because it is to our village that the by-laws be carried the following information is given.

ANY FURTHER QUESTIONS IN REGARD TO ANY OF THE BY-LAWS SHOULD BE DIRECTED TO ANY OF THE MEMBERS OF THE COUNCIL WHO WILL BE AVAILABLE TO ANSWER THEM CORRECTLY.

WATER AND SEWER BY-LAWS

Total cost of the proposed installations including water meters in \$55,000, spread over a period of 25 years, if all by-laws including water by-law are passed, the annual payment, including interest, will amount to \$2,500.00 approximately.

Total revenue against these payments can reach as high as \$2,500.00 annually, so that there is every assurance the revenue will meet the payments.

It is hoped that the by-law will pass, for if they do it is expected that there will eventually be a 100% connection then so-called that the cost will be negligible once the program is completed.

FRONTAGE TAX

Some questions have been asked as to the frontage tax. This tax will be levied on the by-law for the property concerned with the new plan. The original frontage tax was levied on the property and the new plan will remain unchanged and will not increase.

DEBENTURES

The debenture are of the callable type which means that should the interest rate be lower, at a future time, than that at which they are issued then the debentures can be recalled and released at a lower rate.

WATER METERS

The 1956 annual meeting of town officials to conduct a study of water meters, the report of which was presented at the 1959 annual meeting. In view of the security to control both water and sewer and to deprive anyone of this service, after much research it is believed that water meters will serve no good purpose here, as elsewhere.

OIL AND GAS RIGHTS

Because of a clause in the title held by the village on the agricultural grounds property it is necessary to give the council permission to lease the petroleum and gas rights on the half section which includes the agricultural grounds. The village, by virtue of having the deed in this property, has the right and merely needs permission to lease them. It is believed by the officials of the village to be good business to lease them, thus bringing in additional revenue.

WHY THE VOTE SHOULD CARE

1. The expansion of the town, and those residents on both the flats and Railroad Ave. have supported the program before by their vote and goodwill and they now have the support of the rest of the village, so they can have the convenience.
2. According to Town Planning officials, who have reviewed the situation, the expansion of the village will be warranted. With this in mind, the sewer and water lines are connected to housing and other buildings.
3. When a hospital is built, it is most likely to be in the western part of the village, near the water and sewer lines, thus cutting the cost of extended services again.
4. Progress of any town is measured by what it does with its utilities and when the cost appears to be almost all it is an opportunity time to expand.

WHEN WORK WILL START

Once the by-law for water and sewer are approved, a meeting will be held with the by-law and the town council immediately. If the water bill, it is not unlikely that the project could be finished in a reasonably short time.

WATER METERS

The 1956 annual meeting of town officials to conduct a study of water meters, the report of which was presented at the 1959 annual meeting. In view of the security to control both water and sewer and to deprive anyone of this service, after much research it is believed that water meters will serve no good purpose here, as elsewhere.

School Pupils About Same

School enrollment this year is the same as last year with the emphasis at the top end and beginning Mrs. M. W. Williams, full time this term. With a number of reports in Grade XII that grade is again gaining large proportions with 20 registered are:

- Grade 1 — 12 pupils
- Grade 2 — 12 pupils
- Grade 3 — 12 pupils
- Grade 4 — 12 pupils
- Grade 5 — 12 pupils
- Grade 6 — 12 pupils
- Grade 7 — 12 pupils
- Grade 8 — 12 pupils
- Grade 9 — 12 pupils
- Grade 10 — 12 pupils
- Grade 11 — 12 pupils
- Grade 12 — 12 pupils

Honor Pastor at Hay Lakes

Pastor A. Overmeyer of the Lutheran church at Hay Lakes, has honored on the 25th anniversary on the ministry on Thursday, August 25th. Overmeyer, during the ceremony, told that he came to the congregation. Pastors from Edmonton and several were there for the occasion. A program was held in the town hall. Rev. F. Latta, pastor of the Alberta Center, once called on various pastors to say a few words. The congregation presented Pastor Overmeyer with an electric automatic ferry. Latta was served by the ladies. Pastor Overmeyer has served pastors in Northwark and Brimley, Alberta, Edmonton, Kinnel, and Langensborg in Saskatchewan and also in Winnipeg, Man., before coming to Hay Lakes. Mrs. Overmeyer is a sister of Pastor Stetter.

Charles Schneider has agreed of a position in Marshall Wells, Sunday & Hagan store here.

OLD TIMERS HAVE A "BALL" CELEBRATING 'FIFTIETH'

There were tears in some eyes, jovial hand-shaking by others, and an air of reminiscence as old timers from the Inshaw district, some now residing many miles away, gathered to commemorate the 50th anniversary of the founding of Inshaw.

R. L. Williams of Ottawa, who was here prior to the First Great War and left about 1910 flew in for the occasion, and E. Rasmey, of Seattle another old-timer came especially for the day.

There was many others of long standing membership in the Inshaw Pioneers and old timers category who, met with their friends and visited with others during the day.

A number of the ladies in the food booth on the grounds drove and set up for the day in costumes of the turn of the century and created a lot of interest.

The Inshaw Creamery Co. Ltd. served out free chocolate milk and the town provided free ice cream for the children for the day.

Old time prices prevailed at the outdoor stalls and the Ladies ran the game concessions.

The Legion had charge of the eye throwing, contest and two members received some and learned many from the sport.

The day was marked off officially by the unveiling of a cairn on which a plaque had been placed and on which is inscribed —

Inshaw 1910-1960 — 50th Anniversary

Mr. R. H. Williams, of Ottawa, who returned after the war, did the unveiling and spoke briefly in honor of the occasion. He was here for the first time. He was here for the first time. He was here for the first time.

LANSE CLUB GIVE FUNDS AS MEMORIAL

The executive of the Inshaw Senior dance club held a business meeting recently and agreed to disburse the fund, since it was no longer active. Funds left in the treasury were forwarded to Mrs. (Lillian) Moberg as a memorial to her husband (Lillian) who was killed in an accident at Inshaw recently. Gordon Moberg was the caller for the club, when it was in its hey-day. The secretary has since received a letter of appreciation from Mrs. Moberg expressing her thanks to all club members.

All Four By-laws get Ratemayer Approval

All four by-laws submitted to the proprietary election of the village of Inshaw last Friday, Sept. 2nd, were carried, none by large margins and others in a narrow way.

The passing of the by-laws for water and sewer extensions were the large item and indicated that the citizenry wished to go ahead with plans for the flats and Railroad avenue.

The water to Inshaw voters were as follows:

For the flats 123
 Against the flats 25
 Spoiled ballots 3
 Total 151
 For the water 121
 Against the water 25
 Spoiled ballots 3
 Total 151

The most controversial issue of the four by-laws was the question of giving permission to the village to lease the agricultural grounds, for a term of 99 years, with 13 voting for, 30 against and 3 spoiled ballots. There were 151 voters out of a possible 250 out at the polls.

Days of Livery Barns and Poker Haunts

Missionary has Relatives here

Missionary F. Doring who arrived in June from New Guinea as a pastor at the Mission for the Inshaw district, arrived in Inshaw on Sunday, August 14th. He is a member of the Lutheran church in Inshaw. He is a member of the Lutheran church in Inshaw. He is a member of the Lutheran church in Inshaw.

He is a member of the Lutheran church in Inshaw. He is a member of the Lutheran church in Inshaw. He is a member of the Lutheran church in Inshaw.

He is a member of the Lutheran church in Inshaw. He is a member of the Lutheran church in Inshaw. He is a member of the Lutheran church in Inshaw.

More is the old J. R. W. who made one of a series of many pictures and articles, stayed by merchants in Inshaw.

The day, anniversary, it is believed this was also used by the more experienced pastors of the day.

DB Warns "Beware of Unknown Quantity" in Hog Purchases

Beware of an "unknown quantity" is Livestock Commission W.H.T. Mead's advice to Alberta farmers contemplating purchasing pigs. Reports received by the Department of Agriculture from farmers in several central and southern areas of the province have recently been approached by bait breeding groups (three pigs and a boar) of the province at \$200 a group. Copies of two different agreements which have come to the attention of the Livestock Branch, show that the vendor agrees to buy back all the offspring with the exception of four sows and one year, from the first litter, at 900 each.

The province has not registered in Canada but is registered in the "Inland Livestock Registry," where head-quarters are in Minneapolis. Mr. Mead points out that these pigs have been tested in Canada and that there is no knowledge of registered breeding stock.

The top quality hogs, raised in Canada but is registered in the "Inland Livestock Registry," where head-quarters are in Minneapolis. Mr. Mead points out that these pigs have been tested in Canada and that there is no knowledge of registered breeding stock.

DECEMBER

... And From The Other Hand

It is not always the motorist who is at fault in pedestrian accidents and a case in point this week was when children crossed a street driven into the traffic stream without even looking, causing one motorist, who was travelling slowly about 10 m.p.h., to break hard to avoid hitting the child in the road. Parents, aware and teach children to observe the safety rules of crossing the street every time they cross. Otherwise they forget and too often an accident can occur. Child restraint must also exercise rules of caution as certainly as the driver must be responsible.

So, please, motor vehicles are particularly subject to your child to watch every time he crosses the street.

It is not easy to stop a crowd of 5,000 m.p.h. vehicle travelling even at 15 miles an hour.

Word from the... indicates...

Twenty three stinks are entered in the town-country contest by Thursday noon of the results should be known. The regular square dance should be underway by the week end.

Most likely it is that for motorist and the curling clubs are expected for having for an entire season, according to the extra program of the sport at the beginning of the year.

The ice is in good shape and should hold up well for the winter weather.

Many people like to go to the district Tuesday following three days of real cold.

It is above 20 degrees in day.

There to Mr. and Mrs. Leo, Dick, daughter, Michael, Mary, St. Mary's hospital, Vancouver, B.C., December 14th.

Gifts to go to Youth in Indian School

The giving of white gifts to Indian children will be a feature of the United Church Christmas program, Friday, Dec. 15 at Indian United Church.

Children of the Sunday school will bring gifts for boys or girls to the gifts may be candy, books, games or anything else that would be of use to have him or her in a gift for one year in three or four years.

The Indian Residential School where the gifts will be sent, is one of the United Church of Canada and located just north of Edmonton, Alberta. Indian children and young people will not be going home at the school. Most are from poor families, or will have a new Christmas, Christmas wishes, or as their Christian friends, will try to furnish them.

Holidays Proclaimed

Many have been wondering about the Christmas holidays and below we publish a proclamation issued by the provincial authorities on Christmas holidays. With New Year's falling on Sunday it is likely that it will be celebrated Monday too in most places.

Under authority of the Attorney General and signed by the provincial secretary, and witnessed by the Lieutenant Governor of the province of Alberta, a proclamation was issued in the October 31st issue of the Alberta Gazette.

WHEREAS it is convenient and expedient that the 26th and 27th days of December, 1960 be proclaimed as public holidays;

NOW KNOW YE that by and with the advice and consent of Our Executive Council of Our Province of Alberta, by virtue of the provisions of the said Act hereinafter referred to and of all other powers and authority whatsoever in Us vested in that behalf, We have ordered and declared and do hereby proclaim, pursuant to the provisions of clause (1) of section 21 of The Interpretation Act, 1958, the 26th and 27th days of December, 1960, as Public holidays throughout the Province.

Review Traffic Bylaws in Bashaw

With the week long, safe driving week on the highway, the town of Bashaw is reviewing its traffic bylaws. The town is reviewing its traffic bylaws to see if they are up to date and if they are not, they will be amended.

The town is reviewing its traffic bylaws to see if they are up to date and if they are not, they will be amended.

Below is the synopsis of the traffic bylaws.

TRAFFIC BYLAWS

No truck that exceeds 10 tons to be parked on the highway.

No truck that exceeds 10 tons to be parked on the highway.

55th Anniversary

In a special celebration with the town and at an open house in the afternoon of Sunday last, Mr. and Mrs. Jack Trout, members of the family that came from the town of Bashaw, were the guests of honor.

The regular meeting of the town of Bashaw was held on Sunday, December 11th, at 8 p.m. at the home of Mr. and Mrs. Jack Trout.

A note on Bashaw was given to the retiring president, James O'Hara, for the crew capable was well has carried on the past two years.

The January meeting is to be held at the Myrtle Hotel, and the 12th of the day occurred when Warren Olsen and Joyce Pomeroy gave the presentation of the award for a black eye and several injuries.

Why? They were caught in a perfect attendance trap, and the crew was not allowed to see which was entitled to it.

THESE CHRISTMAS LIGHTS

This year as in past years, the homes and houses of Bashaw and the festive season and once again there will be a lot of people who will be busy decorating for the festive season of the year. It is not only the decorations that are important but also the lights that are so important. It is not only the decorations that are important but also the lights that are so important. It is not only the decorations that are important but also the lights that are so important.

THE OPEN WINTER

Although there have been other winters which have favored us with little or no snow before Christmas, the 1960-61 winter appears as if it might establish some kind of a record as far as cold or storm days and poor weather is concerned. There must have been some circumstances which have affected our weather pattern, for most adults bring today, can remember winters which were not so cold as this one. It is not only the weather that is important but also the lights that are so important.

Rocking Bay

We were told that some people have wondered just what the Rocking Bay club does besides having a good time, so here is a resume of our last year's work.

Donations to the (1) John J. Lund, Elder Fund, Cancer fund, Red Cross, Easter Seals, Children's Home at Lacrosse, Training, Education and clothes, UNICEF, Seashore Library.

The following work was done and sent to the Red Cross:

- 3 boys overall & 4 boys pyjamas.
- 10 boys underwears & 4 boys underwears, 2 girls underwears, 10 girls underwears, 20 pairs men's knitted socks, 10 pairs child's knitted socks, 1 women quilt.
- Two wool quilts were made and raffled.

One Flyschak, made and raffled.

We sponsored the race races at Indian Point.

The money we make each month from our house is being put aside for the (Bath-house fund) and if we're having we will not be called upon to be out of the house.

Mr. and Mrs. Henry Hoy spent the week end in Calgary with the Doughty family. Mr. Hetherly left Monday for Calgary, Alberta, where he will be working for the next 6 months.

Mrs. Gordon Gove, who lived in Edmonton on Sunday, Friday having the girls' school closed they were going to visit with Ernest Hough who is scheduled to go into hospital on Wednesday.

Mrs. and Mrs. Al. Drouin of Edmonton were week end visitors at the Mac Cammish home.

Mrs. Drouin is Mac's sister.

Mrs. Lester of Stettler spent the week with her daughter and son-in-law Mr. and Mrs. Lloyd Edmonds.

Mrs. Callaghan and Mrs. Dufra arrived at the city this evening at a private address with the I.C.K. members.

Mrs. Hetherly was an Edmonton visitor last week end.

J. Ben Leathery was raffled with several distributions on hand for blocks for our new hall. Will members please try to have their blocks ready by Feb. 1st.

That meeting it is to be held at Mrs. Berdell's.

Whether it will be often will be seen.

Village of Bashaw NOTICE

OF PREPARATION OF ASSESSMENT ROLL 1961

NOTICE is hereby given that the assessment of the Assessment Act and that the Assessment Roll of the said Municipality has been duly prepared, and that if any person thinks his property has been wrongfully assessed or assessed too high or too low, or wrongfully assessed or assessed for any other person has been wrongfully entered upon or omitted from the roll, he may at any time prior to the 1st day of January, 1961, notify the Secretary-Treasurer in writing of the particular grounds of his complaint.

Dated at Bashaw, Alberta this 23rd day of January 1961.

locky equipment for the team who will be sponsoring a show at the Dixy theatre on Tuesday, Feb. 21 entitled "Girls Town." This is a story of draggers and hustlers—the teenagers. A feature: Paul Anka's latest sensation of the rock n roll era and along with him several noted stars playing the dramatic roles. The story is of drag racers and their wild, gang lights and the delinquency that comes from boys with too much money or girls with no home life.

4.H Club take in Capitol City

Shown by R. W. Hott, Paul Schultz, Albert DeLucas and Jim Merzabin transported the 31 members. The group left for Edmonton where they toured the Al Oeming farm and the afternoon was spent in taking in shows. Then they met at the Gardens at 8.30 p.m. to attend the Ice Capades.

Car hits bridge
Minor injuries

John P. Deane, a narrow gauge car, was driving west out of central and struck the north end of Content bridge and overturned. It is suffering considerable damage. The car was a total wreck. R.C.M.P. of Inland investigated.

Nice Shower
A lovely shower was held in the W.I. hall Tuesday evening of last week. It was given by Mrs. J. Ebert.

There was a large attendance and the program consisted of a reading by Mrs. Carol Thompson and a concert by Mrs. J. Ebert.

Grade and Gravel Mirror to 12

Calvin Norris, M.L.A., for Senator informed the Star last week that by April 15th bridge would be raised for the grading and graveling of Highway 21 from Mirror to the junction.

The work consists of the rough work on the highway 21 from north of 21st to the junction with No. 12. Last year a contract for grading and graveling was let for the piece of road from Mirror to Mirror and work will proceed at an early date on completion of this stretch.

Winners in Cribbage Tourney
On March 26th the high in the cribbage tournament was won by Mrs. J. Ebert.

The last cribbage tournament of the season will be on April 1st. Winners for the evening will be Mrs. J. Ebert.

On March 26th the high in the cribbage tournament was won by Mrs. J. Ebert.

... And From The Other Hand

While putting down a tree that interfered with power lines last week, three Leland and Hwy. 100 crew members found a rare tree in a ravine where a branch at one time stood. The tree was a white pine, about 100 years old, and was in the center of the ravine. The tree was in the center of the ravine and was in the center of the ravine. The tree was in the center of the ravine and was in the center of the ravine.

Golf Meeting

The first call to all players, town and district has been issued for the 1961 season. A meeting in the Legion hall at 10:30 p.m. on April 20th, 1961, will discuss the new season and the calendar for the year. The meeting will be held at 10:30 p.m. on April 20th, 1961, in the Legion hall.

Artificial Ice

Continuing to be successful on artificial ice, the rink at the town and district has been successful. The rink is open to the public and is a great success.

Warning! POWER OFF THURSDAY

Calver Power officials announced Tuesday that Thursday the power will be off for the town and district. The power will be off for the town and district.

Amateur Night this Friday

Friday night April 14th is also another big night in the town and district. The night is a great success and is a great success.

**Council Estimates
Same Mill Rate**

There were 17 members and 16 visitors present. The meeting opened with

Domestic tax law will be on a **boost of \$7.5 million**.

Although the council have to be **increased**, the council have agreed to accept a **total of \$7.5 million** in the event that it is not possible to make it, if the council accept it.

Approved on Golden Wedding

In a grand open house at the Anglican Parish hall on May 7 the friends continued to gather for the day.

Mr. and Mrs. H. C. Swann also attended the ceremony. The bride and groom were assisted by relatives and friends. The ceremony was held on the occasion of their 30th wedding anniversary. They received their guests in front of a beautifully decorated table which featured a three tiered wedding cake. The bride wore a white gown and the groom a dark suit. The ceremony was officiated by Rev. J. W. Smith. The wedding was a private affair. The bride and groom were accompanied by their parents. The ceremony was held at the home of the bride. The wedding was a very pleasant surprise to all who attended. The bride and groom were very happy and the ceremony was a success. The wedding was a very special day for all involved. The bride and groom were very happy and the ceremony was a success. The wedding was a very special day for all involved.

Gold chrysanthemums in bouquets added to the glamour of the

occasion as their main reason for wishing them the best on this historic occasion.

There were about 150 who gathered at the bank that day for the presentation of a purse made by Mrs. Gordon Brown recently with a good attendance of members. The committee turned to painting and was laudful for the Wetaskiwin judicial district for 41 years.

He was a member of the Masonic lodge for 18 years and was also a member of the Moose lodge since 1927. He had been in the lumber business for 36 years.

The hostess raffle was won by Mrs. M. Buckner.

A delicious lunch was served in the hall by the many visitors and members who reported most enjoyable afternoon.

Charlie responded to the occasion and congratulatory messages.

ages were read by their graduates. Charles C. Manning, the Prince Minister and Premier Manning announced others.

Charles Naomah and Edith May Cummings were married at the home of the bride's parents, Mr. and Mrs. Robert Cummings on Mar. 3, 1911. The ceremony was held at the home of the bride's parents.

For another year, the graduates of the high school will be to be done with the Grad XII next year as there are 80 students in Grad IX this year. It is the close work of a one major.

It was decided that when the President J. Stevens attend, the local Citizens Association Board meeting (as discussed by the board of the high school) will be held on the 14th of the month.

Besides his wife Ellen he has one son and five daughters — Lloyd, Edmonson; Mrs. J. C. Moore; Mrs. J. C. Moore; Mrs. Josephine S. Moore; Mrs. David Frost of Calgary; Mrs. Clara Curry of Edmonson; and Mrs. J. C. Moore.

His brother Will of St. Paul, Minnesota and sixteen grand

Seek Secondary Industry as First Step

By Ron Dalby, Manager of Sales and Industrial Development, Northwest Territories Ltd.

Continued in a plea for help to be here this evening, it is of vital importance to the development of the industry in Alberta.

I want to refer to my discussion of the industrial development of the Northwest Territories Ltd. I want to refer to the first paragraph in the Alberta Journal of Statistics.

As the year ends, it has become apparent that the recession of 1960 was more serious than it was in their preceding years. Although the pace in expansion slowed it did not halt. It is likely that the heavy emphasis placed on such industries as the oil and gas industry and the chemical industry as well as the pulp and paper industry, and the food processing industry, will continue to be a major factor in the economic growth of the province.

The Division of the Alberta government has been very active in the search for new industries to attract to the province. It has been very successful in this regard, and it is hoped that the search will continue to be successful in the future.

One of the most important factors in the search for new industries is the availability of land. The Division of the Alberta government has been very active in this regard, and it is hoped that the search will continue to be successful in the future.

The Division of the Alberta government has been very active in the search for new industries to attract to the province. It has been very successful in this regard, and it is hoped that the search will continue to be successful in the future.

During the past year, the Alberta government has been very active in the search for new industries to attract to the province. It has been very successful in this regard, and it is hoped that the search will continue to be successful in the future.

The Division of the Alberta government has been very active in the search for new industries to attract to the province. It has been very successful in this regard, and it is hoped that the search will continue to be successful in the future.

At the present time, four major industries contribute significantly to the provincial economy. They are agriculture, mining, and the two secondary industries, construction and manufacturing.

This broader industry has given some impetus to the recovery. Alberta is a province of tremendous natural resources—timber, oil, gas, and many others. These resources are being developed, and the province is becoming more and more self-sufficient.

The development of secondary industries is of great importance to the province. It is hoped that the search for new industries will continue to be successful in the future.

What does the future hold for the province? It is a question that is being asked by many people. The answer is that the future is bright. The province has a wealth of natural resources, and it is being developed. It is hoped that the search for new industries will continue to be successful in the future.

The Division of the Alberta government has been very active in the search for new industries to attract to the province. It has been very successful in this regard, and it is hoped that the search will continue to be successful in the future.

A typical 618 million, in turn these workers cause a ripple effect in the economy. In the retail stores and many other places, the workers are being paid. This is a good thing for the economy.

It is hoped that the search for new industries will continue to be successful in the future.

As a supplier for 33 brands and 100 different products, we are in a unique position to serve our customers. We have a wide variety of products, and we are committed to providing the best service possible.

It is hoped that the search for new industries will continue to be successful in the future.

Ye Editor's Page

YE EDITOR'S PAGE

After a somewhat weary newspaper published last Wednesday, the Editor of the *Edmonton Journal* has been able to get away last week-end, and is now, and seeing to it that he will be able to get away again in the near future.

Mr. and Mrs. Fred Shumaker and family and Mrs. Anne Shumaker are in the city for a few days. Mr. and Mrs. Shumaker are from the city of Edmonton, and are in the city for a few days. Mr. and Mrs. Shumaker are from the city of Edmonton, and are in the city for a few days.

THE LETTERS GO OUT

In the past week a number of organizations have received letters indicating a hospital for Bashaw is nearing realization, and asking that the organizations indicate just how they might be of assistance, if anything. These letters went out after indications came to the sub-committee that organization should proceed with auxiliary services.

FISHING GOOD SAYS THE ANGLER

Old Schultz is still talking about the four pointer that started in his outfit and got away last week-end. He says the fish was in the water of the lake, and all anglers of any note were fishing around the lake at the time. The north shores of Buffalo Lake and Narrows near Hilar have always been good places for the angler for the big fish, and this year looks as if it might come to a standard. There is more interest developed in these areas as the vacationing population of the province increases, and we believe within five years this snow country will be a terrific tourist point.

A LONG TRIP FROM THE FREDDO AND SCRAPPER

The work that has been done in the past few years on roads in the Camrose municipality, in Paul Peter's division at least has been something that ought to be recorded for the future. Roads which were once almost trails, have now become "highways" of the town, and have been built to be ready to resist as well as future conditions, as far as possible. This course is accounted for through the ingenuity of Paul and his crew, and the use of today's modern earth moving machine that is in an hour what took the old men to do in the days of the hand frame and sledge. Paul's most recent job of a road into Pelican point and the establishing of a pier in the lake is a feat that even the most successful might not attempt without much prior knowledge and engineering experience. But Paul, a son of a road and ditch construction, has tackled it with the pride and the know-how that is not always found in a community of even much larger populations. It is a good job Paul; congratulations to your crew, yourself and the municipality for this fine work, which will certainly reflect itself back to the municipality. Special thanks too to Norm Holt who spent the best part of the last week on the job too.

THE CHURCHES ARE FEELING IT

The shortages of ordained ministers in this area of East Central Alberta is now beginning to show alarming proportions and even though a few years ago we were told there was a shortage no one thought it could happen here. The fact is that the shortage is now a fact, and it is a fact that the churches are feeling it. The shortage is now a fact, and it is a fact that the churches are feeling it.

A COMMENT FOR THE EDMONTONIANS

The Edmontonians travelling on the Framingham train last week could not help but have noticed the reception they received in the smaller centres, and the warmth with which the delegation was met. For those from Edmonton who may not know, this is a natural spontaneous warmth not engendered by a practice session before hand, nor a warmth placed on the people by a "madman" dictator. It was from the hearts and minds of people living in rural communities who believe every man is a neighbor and a friend.

THE CHURCHES ARE FEELING IT

The shortages of ordained ministers in this area of East Central Alberta is now beginning to show alarming proportions and even though a few years ago we were told there was a shortage no one thought it could happen here. The fact is that the shortage is now a fact, and it is a fact that the churches are feeling it.

Market Comes First

Industry being attracted to the city of Edmonton is the result of the following:

1. The city of Edmonton is the largest in the province.
2. The city of Edmonton is the largest in the province.
3. The city of Edmonton is the largest in the province.
4. The city of Edmonton is the largest in the province.
5. The city of Edmonton is the largest in the province.
6. The city of Edmonton is the largest in the province.
7. The city of Edmonton is the largest in the province.
8. The city of Edmonton is the largest in the province.
9. The city of Edmonton is the largest in the province.
10. The city of Edmonton is the largest in the province.

Big Timber

The timber in this district have been known for some time now, and seeing to it that he will be able to get away again in the near future.

WHAT ABOUT BASHAW?

What can a community do to attract industry? At this point we believe that the answer is to be found in the fact that the community is the largest in the province.

Trailer Home Now on Display

For want of a summer home Mr. and Mrs. Ray Whittier have purchased a trailer and will be using it to take care of their summer activities. Ray has recently taken on a sub-lease for the trailer and invites anyone to come in and inspect it.

HOW MANY WENT TO A BANK FIRST?

Probably most of them! Experienced travellers have learned that a chartered bank can add greatly to the enjoyment and contentment of travelling. Here you can get answers to currency questions, have valuables in safekeeping, obtain letters of introduction. Travellers Cheques are ideal for day-to-day expenses. For larger sums, you may prefer a Letter of Credit, or arrange to have funds forwarded to you. A chartered bank has many ways of caring for your travel needs. See your local bank before you go.

MARKING-A LAWN

Choice of grass seed is probably the most important factor to consider when starting a new lawn. It is important to choose a grass seed that is suitable for the area, and that is suitable for the area.

Trials of a School Bus Ride told by Student

(By Charlotte Rider)

This short article is related to you the trials of riding a bus to and from school.

In my opinion this ride is far from being the best occasion in my life.

Early in the morning, and after a fresh jump to the bus (chairs) we take up our little bumpy ride.

Chomping about we give a drive or maybe a good one to the driver.

After about the first mile or so (children and bus) we take up our little bumpy ride.

LOCALS Jack Schick of Calgary was known for the week end.

Mr. and Mrs. J. Schick and the family left Calgary Friday for a short vacation.

Mr. Schick is a patient in the Lacombe hospital receiving further treatment.

Mr. Schick is a patient in the Lacombe hospital receiving further treatment.

Farm Safety and Youth

(By Harry Shumacher)

Most farmers handle their own farm safety, but a lot of them are not doing it right.

Many young children are allowed to get into the tractor or other farm machinery.

After about the first mile or so (children and bus) we take up our little bumpy ride.

Chomping about we give a drive or maybe a good one to the driver.

After about the first mile or so (children and bus) we take up our little bumpy ride.

Chomping about we give a drive or maybe a good one to the driver.

After about the first mile or so (children and bus) we take up our little bumpy ride.

Chomping about we give a drive or maybe a good one to the driver.

After about the first mile or so (children and bus) we take up our little bumpy ride.

Chomping about we give a drive or maybe a good one to the driver.

After about the first mile or so (children and bus) we take up our little bumpy ride.

Chomping about we give a drive or maybe a good one to the driver.

After about the first mile or so (children and bus) we take up our little bumpy ride.

HOW MANY HAVE A BANK ACCOUNT?

Chances are they all have! Because nowadays practically everybody is a bank customer. And they go to the bank to get their money and so many reasons: to deposit savings, arrange a loan, buy or sell foreign exchange, purchase money orders... In fact, Canadians seem to use banking services more than the people of any other country. The chartered banks, for their part, do their utmost to make each and every customer a friendly, efficient centre for every kind of banking service.

ABUNDANT LIFE

by ORAL ROBERTS

GOD'S ANSWER TO JUVENILE DELINQUENCY

young people are directed the wrong way. The young person turns to narcotics, strong drink, intense sexual activity and lawlessness. This way of life becomes a habit. Hardly anyone, which he often does not expect.

More than \$73,000 young people come before juvenile courts yearly for criminal acts. These youths are called juvenile delinquents.

Although there is no single reason for delinquency, there is

an underlying cause. In this generation there is a desperate need for spiritual impact. World situations have become more complex. The world we live in has become more highly organized. Yet we have no direction for living and no solutions to the problems endlessly posed on. Human emotions and basic desires remain the same.

But there is an answer! The reckless courage, calm certainty, selfless devotion, and selfless love, that we need to live in this

There is an answer to juvenile delinquency, but that answer is not wholly found in juvenile houses, detention centers, institutions or in juvenile courts. The answer is found in a living experience with Jesus Christ. Abundant life is God's answer to juvenile delinquency.

ing, not enough in this way. The water pumped to the top of the river in the site and not used to the discharging. It may be a job.

with corn fodder, this is not so because a good many broken in the cuticle at least a minimum-satisfactory carbohydrate preservation. Corn silage is not quite as corn silage just regular way that it's a lot of feed by roughage that would go to waste.

Ordinarily this laborer is thought as adapted to managing a large range country that is in fact being run by Alabama Polytechnic Institute. Reports on a summer feeding trial of 25 to 30 head of cattle to 75 or 70 per cent of the herd (as a rule) for beef cows. No effect was noted on the milk or in the per cent of nursing calves. The use of cottonseed oil was used to regulate the intake of cottonseed

approximately two
ly per cow.

BIG GRADING STATION
This week officials of one of the province's largest grading companies will be in Bashaw to determine the potential of permanently establishing an asphalt road and parking lot for the town. Their opinion can only be judged by the results that will come from the entire drive. We have it on good assurance from the officials that their market will be equal to any in the province with a high class of service to be provided. This is the opportunity for all policy makers and asphalt contractors to express an opinion and to make known what they are willing to do in order to maintain and improve the town's appearance. How many eyes you ship, where you ship, your satisfaction on both price and grading, as well as service should be stated. Any information will gladly be handled by the Star office so that a picture of the post-graduation situation in the area can be taken.

Write a letter, give your opinion and above all be fair. No business, no merchant can operate on a catch as catch can business here, but if the market is sound, and many certain provisions can be made which will assure the ultimate producer a better return on all ways. Leave your name, phone if in or out of camp. We are here to help you too.

THE STOPPING SITE
We have had occasion in the past two years to view many stopping sites now being set up by the Alberta government on the highway of the province and believe, without contradiction, that one of these sites set up on the highway just south of Bashaw, or near golf course on the highway, would be one of the most satisfactory in the province for overnight stops and lunch stops for the tourist or motorist. At the edge of the golf course they will have access to water and a toilet which will save them the trouble of the highway. This is also where the highway has been overlooked (for what reason we are not getting the use of the highway as it has been placed in less accessible areas and is not getting the use it should have. We are particularly unhappy that a road of hooters has been built to the structure on Diamond Lake at Alix, which was immediately adjacent.

With only one other on the north and west side of Buffalo Lake at the Narrows it would seem somehow that the road should be rather too much to the park department for development.

Thousands of people yearly are now visiting various parts of the north side of the lake and we feel that if the road were built to this area both by municipal and government bodies who are interested in retaining week end travel for the good of both the economy and the people.

WHERE TO?
The impact of the new Russian astronaut flight 17 times around the earth should be felt more keenly by future school students than perhaps any other group. For it is to be noted, those who are attending university now probably have their plans mapped out for the next few years in their choice.

International Utilities Corp. announces Appointments
Following a meeting of the Board of Directors of International Utilities Corporation held in the company's offices in Toronto, Ontario, Aug. 8, Howard Butcher III, president of the company, announced that H. M. Milner, M.P., of Edmonton, Chairman of the Board, and J. C. Dale, Chairman of the Board, had been appointed Chairmen of the Board of Directors of International Utilities Limited and Canadian Utilities Limited, and that D. K. Yorath, of Edmonton, President of International Utilities Limited and Canadian Utilities Limited, had been appointed Chairman of the Board of Directors of Canadian Utilities Limited and Northland Utilities Limited, had been appointed Vice-Chairman of the Board of Directors of Canadian Utilities Limited and Northland Utilities Limited.

Prevent Loss at Harvest says D.A.

PREVENTABLE HARVEST LOSSES
Each year western farmers lose many thousands of dollars through improper harvesting of their grain crops. It is quite understandable that, in the rush to get the crop safely stored, there may be a certain loss of grain to the detriment of the harvest. This loss of grain, however, may result in less grain for the farmer's pocket.

(1) Grain not before maturity. (2) Grain not before maturity. (3) Grain not before maturity.

Notice! To All Farmers

IN THE COUNTY OF PONOKA
This office has just received word from the Field Crops Branch, Alberta Department of Agriculture, re Policy on Freight Assistance.

Recently written to modernize rules adjacent to the declared assistance area have improved pasture and fodder conditions considerably. With 122 inches of rain at Edmonton and varying quantities at other points it is evident that pasture will be improved almost immediately and second crops of hay and growth on crops will be substantial.

CLEANING GRANARIES
Many farmers which have had grain for a number of years, but have not cleaned their granaries, are now being urged to do so. The sure to clean, repair, and repack granaries before the start of the new crop.

Many farmers, the care in your grain, the care in your grain, the care in your grain.

Moose workers take time off at Thanksgiving

Thanksgiving is a time when many people take a day off from work. This is especially true for those who work in the service industry, as they are often the ones who are responsible for making sure that everyone has a good meal on the table.

The Bashaw Star

A newspaper with a newspaper published each Wednesday at Bashaw, Alberta, owned and operated by the Bashaw Star and the Alix Promoter. A second class newspaper in the City of Edmonton, Alberta, Canada. W. R. NEWSOM, Editor.

Ye Editor's Page

LOOK OUT

With the spudding in of a new well which is probably making gas in the area and reports of another in the next few days in a similar area on the north side of the lake it is likely that more companies will be looking for the area over with a fine tooth comb.

All we are hoping is that the first well under production is sufficient to encourage others to do some drilling in the immediate area. We are sure, as are hundreds of others that a potential gas field lies in and about the town and along with an unlimited water supply underfoot will prove to be a boon to whatever might look over the area.

Properties which are being bought up in the area indicate that something is on the move and we hope that Bashaw, Mirror and Alix benefit from this move in Central Alberta.

The fact that the two wells being drilled are not the same company indicates that there is more than a lone interest in the area and by the amount of activity being and is checking that has been done in the past it is likely that there is something in it.

CHIMES OF THE TOWN should be ready and willing to set aside some of various funds for the establishment of any property that may be connected with the industry.

WARREN WEATHER

Although the recent snow will do a lot of good if it gets into the soil, and may cause less loss whether the weather stays warm or not, one or two projects in the village need warm weather to get going and before winter really sets in.

The shattering risk from the ice is not just before the work at the last cut-

President of Lutheran Women visits brothers

Meeting a week, Mrs. Caroline (nee) Lathier, President of the Lutheran Women's Association, visited her brothers, Mr. and Mrs. Lathier, Alberta, Mrs. Lathier, and Mr. Lathier, Alberta, in the town of Lathier, Alberta, on Tuesday. The visit was the first of its kind in the area and was a most successful day for the women of the L.W.A. and the men of the town.

The recent fire calls attended by the Bashaw fire brigade in the rural area is more and more beginning to pull up the need for some sort of rural truck to answer the rural calls. Everyone in Bashaw agrees that there is a danger when the truck is out of town, that a fire may occur in town. This is the case in the town of Bashaw, where the fire trucks are not in the town.

THE VILLAGE story was enough to fill the minds of all who are looking for the next fire. The story was enough to fill the minds of all who are looking for the next fire. The story was enough to fill the minds of all who are looking for the next fire.

A man never gets so rich that he can afford to lose a friend.

2 Fire Calls in Country

The Bashaw Fire Brigade had two recent rural calls which took them into the country. The first call was for a fire in a barn, and the second call was for a fire in a house. The fire brigade was able to extinguish both fires and no one was injured.

The second call came about 10 miles from the town of Bashaw. The fire was in a barn and the fire brigade was able to extinguish the fire. The fire was caused by a faulty wiring in the barn.

The fire brigade was called out for a fire in a house. The fire was in a house and the fire brigade was able to extinguish the fire. The fire was caused by a faulty wiring in the house.

The fire brigade was called out for a fire in a house. The fire was in a house and the fire brigade was able to extinguish the fire. The fire was caused by a faulty wiring in the house.

The Alix club-room group continues to hold their regular meetings on Wednesday, October 26, 1961 with seven members present. The club-room group is a social organization for women and is held at the home of Mrs. Lathier.

How to cut your G.P.S. heating costs!

How to cut your G.P.S. heating costs!

CHECK YOUR INSULATION

A poorly insulated house is a heat waste! Loose-fill insulation in the attic may be shifted during repair work or moving stored items. Be sure there are no bare spots in your attic—for most heat loss is through the ceiling. In some houses additional insulation will greatly reduce the heat loss. Why not check YOUR home to be sure?

REPLACE DIRTY FURNACE FILTERS

Dust-laden furnace filters restrict the flow of air, and can cause overheating of the furnace, serious loss of heat to upstairs rooms and wasted fuel costs. All types of filters should be cleaned regularly, and replaced when necessary. (While you're at it, see that your furnace motor and fan bearings are lubricated as instructions indicate.)

TIME FOR STORM WINDOWS

Your house, like you, needs to breathe. Don't turn your house into a "sealed box," but avoid gaps in windows and drafts which cause drafts and waste heat. A little weather-stripping usually does the trick! You pay for the heat in your home, keep it there, where it belongs.

A Properly Adjusted Furnace Saves Fuel

The gas company service department is ready at all times to assist you by adjusting heating equipment to maximum efficiency. With a gas furnace in your home, you are enjoying the benefits of the cleanest, most efficient and dependable home heating system. It's like a car that runs on gasoline and when your heating system is operating efficiently and you avoid heat loss caused by lack of insulation, dirty conditioned doors and windows and plugged furnace filters, you get full value for your heating dollar.

NOVEMBER

... And From
The Other
Hand

Plastic arrives for ice plant

Rolls of plastic pipe for the artificial ice for Bashaw curling have been here this week, and machine is to arrive soon. During the past week crews have been busy laying the sheets and making the rink in preparation for the play hours. Haulers trucks are ready and the building is to house the rink in the days.

Another week should be the rink ready for final play trying and changing.

Feed Mill gains Merit award

We always knew it was a good feed mill but this year Albert's win was honored at the Feed Mill Convention in Edmonton. Ed. was named first in a list of over 400 feed mills for making the best Sheep-Cain hay feed. The convention was open to Alberta and S.C. and represents the competition with cities and other towns. The mill was also named 6th for cattle feed and fourth for sheep feed.

The win is indicated by a certificate of merit to hang in the mill.

Over the years the mill has been recognized by feed operators as one of the best in Alberta.

Mr. and Mrs. A. J. Smith attended the convention in Edmonton last week.

Hallowe'en!

As we go to press Hallowe'en is upon us and we hope against hope that any vandalism will be avoided. It is rather ironic that parents (who set no such check in Hallowe'en parties themselves) should have decided their children should be better, but this is the pattern. We always want our children to be better than we were. We expect they will be their fate, as they should—and we hope they will receive the value of paying for their day. This is all we can say here. This is all we can say here. This is all we can say here.

The Bashaw Star

As mentioned weekly newspaper published each Wednesday in Bashaw, Alberta, also covered by a news team consisting of W. R. Newsum, Editor, and W. R. Newsum, Editor.

We Editor's Page

A VAST NEED FOR ROOM

With the immediate influx of workers on various drilling rigs in the district, there has been created a situation where board and room for workers is in great demand. In previous years Bashaw has always responded to the demands of the town that if you have a room and a place to eat, the town will be happy to have you. It is the Editor's page to let you know that if you have a room and a place to eat, the town will be happy to have you. It is the Editor's page to let you know that if you have a room and a place to eat, the town will be happy to have you.

Room for trailer parking too is essential—room where electric facilities could be hooked in. Many of the workers have their own trailers and merely require access to electricity or water and sewage.

If we can, for the next two months accommodate such an influx of workers, along with other towns in a similar situation, we will be able to benefit considerably from the day to day spending of these extra people.

One other factor that is important to me is that all the men and their families are informed of the church facilities and organizations within our town so they can be made use of as a part of the community.

Do you part to make these people, like ourselves welcome in our community? It comes to you in your own way.

THE WORLD DOES NOT OWE US A LIVING BUT...

Those people reading in and near the smaller towns to Central Alberta are aware generally as friendly, hospitable people and many of them are as well. In the area, even the years would indicate that they are among the most friendly people in the world.

Somewhere, the act of living in a small town has made them dependent upon the maintenance of goodwill and friendship with all of whom they meet and generally this has been handed down from generation to generation. Business is done in many cases on the basis of the following: "I have known you for years and you have been a good customer."

In the past few years there has been some tendency to do more business on the basis of the following: "I have known you for years and you have been a good customer."

It is not that the old ways are wrong, but the new ways are better. It is not that the old ways are wrong, but the new ways are better. It is not that the old ways are wrong, but the new ways are better.

We appreciate our rural and town business; and we hope the feeling is mutual. For beyond dollars and cents we have a bond of friendship, built through association that must not at any time be destroyed by idle talk or rash promises that only tend to sever this bond.

It is a bond worth having—either end of the scale.

A MUSEUM CENTRE

The old white school on the present school grounds could be made one of the finest buildings for a museum and cultural centre that we could procure, and whether it remained in its present location or was moved, it could well serve as a useful purpose. It is unfortunate to see an old building sitting almost useless for the greater part of the year.

Within the households and homes of the district are hundreds of items which have only minor value to the owners. They are particularly valuable from the standpoint that they have become unique in some way, and hold a relative historical value in others. To gather all these up and put them in a museum would be a great boon to the community.

Some organizations, acting as groups could approach the school for visitors to step in Bashaw.

questions which arise when we are faced with a rural development program. For example, we must ask: (1) the development of a rural development program in the north; (2) the economic loss of resources in an economic program in the north; (3) the economic loss of resources in an economic program in the north.

ABUNDANT LIFE

BY ORAL ROBERTS

THE MASTER TOUCH

I have told a story once in the past. The story was about a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

One day the captain was out on a mission. He was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

The captain was a man who was a master touch. He was a man who was a master touch. He was a man who was a master touch.

50 YEARS

CALGARY POWER LTD.

SERVING THE PROVINCE OF ALBERTA

"By the light of the silvery moon . . ." was just about the only light fifty years ago. After the sun went down you might see the odd flickering light on the main street of your town but otherwise everything was in darkness. Night-time beach, hockey or curling were unknown.

What a difference today, with attractive high-powered mercury-vapor or fluorescent lights. What a comfort to be able to walk or drive safely through brightly lit streets to visit friends or neighbors. Calgary Power is pleased to provide these true "beacons of progress."

SO WILL BUILT YOU CAN FEEL IT!

Visit your Ford Dealer now... take a ride in the '82 Fairlane—and actually "feel" the difference. Its solid welded steel construction brings you a new level of meat and quality. That's because the floor, sides and roof are all welded into one solid unit so that there's no place for rattle to start.

oped a completely new
combines the strength

of iron with the lightness of aluminum. As a result, the 221 cu. in. Challenger V-6, the newest from Chrysler, is a leader, brings you responsive power with smoother, quieter, more economical performance. A small 161 cu. in. I-4 will deliver substantially better mileage than any other in its class and it is actually more economical than many of the compacts!

ROOMY AND COMFORTABLE FULL-SIZE INTERIORS...

Inside, a Larkline is not a compact. It borrows traditional big car roominess for six passengers. Positive perfect front seats are generously firmed, padded,

the optional choice of
and power brakes com-

AGE-RESISTANCE AS A CAR CAN BE!

The new *Ford* *Falcons* *major* *Ford's* famous built-to-last-car-of-its-kind features. You go up to 30,000 miles between chassis lubrications . . . up to 4,000 miles between oil changes. That's a new 30,000 mile or two-year radiator coolant. Brakes select themselves automatically. *Ford* *Desks* have a 12-month or 12,000-mile warranty, whichever comes first.

See the new Ford Falcon now!

Certain features illustrated are optional at extra cost.

WRESTLERS
HOME-COMING
BY WILLIAM L. ROPER

YAHYI took no part in holiday merriment on the car, long accustomed to his office, resumed the shelter of the youngsters' home for Christmas. He gaily ignored him. "I was of a different kind."

The train clung up the curving grade toward Lodi, he staved merrily by the late pine tree glitters the afternoon sun. He was on what he planned to a night—something that he was thinking about for a

Joe waited for the young man, home for the Christmas holidays, to get out first. Then came the time the street was completely around, looking big. Then the marchal used to meet at home. Tonight the face was every; a flash of color, the street, the Christmas up of children were still silent night. Holy night! This remained him of Christmas Eve when he was a boy.

Memories somewhere these memory find other Christmas Eve he wanted him as he walked home-lined street to his home. He recalled the bells and the parties at all times. He hoped,

Finally he came to Big Bear. His heart beat a tattoo. He rapped softly on the door. He heard quick footsteps and when the door opened, there

"Why Jake!" she exclaimed. "You are good to you to let me come in."

With a pained frown, he loved her into the living room. He noted, appeared as if tired. Yet she was still beautiful.

"There's Big Ben!" he said, pointing to a very fat man. "Then you see Big Ben passed away Sunday . . . drank himself to death."

"Drank himself to death?" she said. "Why, I never heard of that."

"It was the beer that you were drinking," she said. "The spunk of it."

"He started drinking the day after the war came that another

en, Jake, you don't think I
seriously framed you, do
you?" He shook his head. "I
do not, Kelly. Besides what
I'm doing. And this is Chris."
He smiled and walked in
the cool, crisp evening.

The Consolidated Store is open for business. The store is open for business.

The Bashaw Star

As mentioned in the previous issue, the Bashaw Star is a small class mailer in the Post Office Department. It is published weekly and is the only newspaper published in the Yukon.

Ye Editor's Page

ANSWER TO A PRAYER

The coming of the first inches of snow over the weekend has been one of the things which have been longed for by the people of the Yukon. The weather has been so warm that it has been difficult to get the winter snows to come. The snow is now here and it is a relief to the people of the Yukon. The snow is now here and it is a relief to the people of the Yukon.

CHICKEN SEASON

With the up and down trend in poultry and egg prices over the last two years some of the fact must have been felt by producers of the chicken and eggs for local distribution in the province. On the other hand eggs have always been a through history been one of the best forms of food and at times have been the cheapest source of protein for the people of the Yukon. The chicken and eggs have been a through history been one of the best forms of food and at times have been the cheapest source of protein for the people of the Yukon.

EARLY CRAFTS SHOULD BE REVIVED

As we approach and use the benefits of the new age of science and technology, it is important that we do not lose sight of the old crafts and skills which were done by our grandfathers and fathers and their families for posterity. It is important that we do not lose sight of the old crafts and skills which were done by our grandfathers and fathers and their families for posterity.

Seed Plant men Discuss Problems at regional meet

When Alaska seed growers met in Anchorage, Alaska, last week, they discussed the problems of the seed industry in the state. The meeting was held at the Alaska Hotel and was attended by representatives of the Alaska Seed Growers' Association, the Alaska Seed Processors' Association, and the Alaska Seed Distributors' Association. Local

Mr. and Mrs. Sandy Foster of Lacombe, Alberta, Thursday afternoon at the Biltmore home. This was the first time in a year that the Fosters had been in the city and they were guests of Mr. and Mrs. J. H. Foster, who are now in the city on a business trip. Mr. Foster is a retired naval officer and is well known in the city.

Members of the Lacombe and District No. 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

KIMMELMAN'S

Plan Red Cross Sewing

There were many visitors in the morning and one brave couple did the chores at noon so they got home and then went to bed.

The first club meeting of 1901 was held at Bertha Masters and was attended by 11 members and one visitor present. It was devoted to carry on with the bread table and the travelling basket but to drop the bread table this year.

We were going to send the Plan Red Cross for sewing and plan to raffie the chairs at noon so they got home and then went to bed.
